

Construction Solicitations to Prequalify Contractors

Full Details

Institution	NC State University
Institution URL for Additional Information about this Project (Optional)	https://facilities.ofa.ncsu.edu/category/ads/
Project Name	Burlington B121 Lab Renovation
Prequalifying for	North Carolina State University is seeking qualification statements from general contractors for the B121 Burlington Lab Renovation project located on North Campus. This project renovates 4,163 square feet of vacated shop space in the basement into wet-research labs in Burlington Labs (built 1953, with a 1973 addition) to accommodate three new faculty researchers. The project includes architectural, mechanical, electrical and plumbing scope.
