### **1.11 Conflicts of Interest**

City of Raleigh contracts are controlled by three conflict of interest provisions.

First, federal procurement standards provide in 2 CFR 200.318 (c)(1),

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal award if they have a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or a firm which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non-Federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

Similarly, the North Carolina General Statutes provides a *criminal* statute for conflicts of interest in public contracting. N.C.G.S. § 14-234(a):

(1) No public officer or employee who is involved in making or administering a contract on behalf of a public agency may derive a direct benefit from the contract except as provided in this section, or as otherwise allowed by law. (2) A public officer or employee who will derive a direct benefit from a contract with the public agency they serve, but who is not involved in making or administering the contract, shall not attempt to influence any other person who is involved in making or administering the contract. (3) No public officer or employee may solicit or receive any gift, favor, reward, service, or promise of reward, including a promise of future employment, in exchange for recommending, influencing, or attempting to influence the award of a contract by the public agency they serve.

City of Raleigh Charter Section 3.9 regulates private transactions between the City and its officials and employees. The Charter states:

No member of the City Council, official, or employee of the City of Raleigh shall be financially interested, or have any personal beneficial interest, either directly or indirectly, as agent, representative, or otherwise, in the purchase of, or contract for, or in furnishing any materials, equipment or supplies to the City of Raleigh, nor shall any official or employee of the City of Raleigh accept or receive, or agree to accept or receive, directly or indirectly, from any person, firm or corporation to whom any contract may be awarded or from whom any materials, equipment or supplies may be purchased by the City of Raleigh, by rebate, gift, or otherwise, any money or anything of value

whatsoever, or any promise, obligation or contract for future reward or compensation, for recommending or procuring the uses of any such materials, equipment or supplies by the City of Raleigh; no member of the City Council, official or employee of the City of Raleigh shall for his own personal benefit operate, directly or indirectly, any concession in any building or on any lands of the City of Raleigh, nor shall any official or employee of the City of Raleigh bid for or be awarded any contract granting concessionary rights of any nature or kind from the City of Raleigh; it shall be unlawful for any member of the City Council, official or employee of the City of Raleigh to bid for or to purchase or to contract to purchase from the City of Raleigh any real estate, equipment, materials, or supplies of any nature or kind whatsoever, either directly or indirectly, at either public or private sale, either singly, or through or jointly with any other person.

### **1.12 Proposer Expenses**

The City of Raleigh will not be responsible for any expenses incurred by any Proposer in the development of a response to this Request for Proposal or any other activities associated with this procurement including but not limited to any onsite (or otherwise) interviews and/or presentations, and/or supplemental information provided, submitted, or given to City of Raleigh and/or its representatives. Further, the City of Raleigh shall reserve the right to cancel the work described herein prior to issuance and acceptance of any contractual agreement/purchase order by the recommended Proposer even if the awarding authority for each entity has formally accepted a recommendation.

### **1.13 Proposer Acceptance**

Submission of any proposal indicates a Proposer's acceptance of the conditions contained in this RFP unless clearly and specifically noted otherwise on Appendix VI Exceptions to RFP and submitted with proposal. Furthermore, the City of Raleigh is not bound to accept a proposal on the basis of lowest price, and further, the City of Raleigh has the sole discretion and reserves the right to cancel this RFP, and to reject any and all proposals, to waive any and all informalities and/or irregularities and reserves the right to re-advertise this RFP with either the identical or revised scope and specifications if it is deemed to be in the best interests of the City of Raleigh to do so. The City of Raleigh reserves the right to accept or reject any or all of the items in the proposal, and to award the contract in whole or in part and/or negotiate any or all items with individual Proposers if it is deemed in the best interest of the City of Raleigh to do so. Moreover, the City of Raleigh reserves the right to make no selection if proposals are deemed to be outside the fiscal constraint or not in the best interest of the City of Raleigh.

## 3 PROPOSAL EVALUATION

### 3.1 Proposal Evaluation Criteria (Stage 1)

This is not a bid. There will not be a public opening. The Proposals received in response to this RFP will be evaluated and ranked, by the Proposal Evaluation Committee by the process and evaluation criteria contained below. Responses will be evaluated in light of the material and substantiating evidence presented in the response, and not based on what is inferred. After thoroughly reading and reviewing this RFP, each Evaluation committee member shall conduct their independent evaluation of the proposals received and grade the responses on their merit in accordance with the evaluation criteria set forth in the following table.

The maximum interview/demonstration points a Proposer can receive is five (5) points. The Proposers selected for interviews/demonstrations under this section will be notified in writing of the date and time. The Proposers' interview/demonstrations shall be based solely upon information provided in each Proposer's original proposal. No new information may be presented.

Criteria	(a) Weight	(b) Score (0-3)	(a) x (b) Weighted Score
Corporate Background and Experience	20		
Firm Financial Stability	20		
Project Understanding	20		
Project Approach	15		
Team Firm Experience	10

<b>Total Score (without Interview/Demonstrations)</b>

<b>Final Score (with Interview/Demonstrations)</b>			

#### Score Points

0- Missing or Does Not Meet  
Expectation  
1- Partially Meets Expectation

2- Meets Expectation  
3- Exceeds Expectation

**Cost Formula:** The cost criterion is rated by giving the proposal with the lowest total cost and the maximum number of Cost points available. The remaining proposals are rated by applying the following formula:

$$1 - \frac{B - A}{A} \times C = D$$

A—the lowest Proposer’s cost.

B—the Proposer’s cost being scored.

C—the maximum number of cost points available.

D—Proposer’s cost score (points).

Note: If the formula results in a negative number (which will occur when the Offeror’s cost is more than twice the lowest cost), zero points shall be assigned.

### **3.2 Interview/Demonstration (Stage 2)**

A short list of firms may be invited to Stage 2 of the evaluation process, the *Interview/Demonstration*. Interviews/demonstrations are an important aspect of the evaluation process that offers the City an opportunity to see how the proposer’s solution meets the critical components of the RFP.

### **3.3 Final Selection**

Proposals will be evaluated and ranked according to the criteria and weighted values outlined in Section 3.1. Either a final selection for recommendation will be made at this time or the short-list of firms will be invited to participate in Stage 2 of the evaluation process. If Stage 2 is implemented, each firm will be evaluated and assigned a score to determine the best firm for recommendation.

After which negotiations for a contract with the most qualified firm will commence. If negotiations are unsuccessful, the City will then pursue negotiations with the next most qualified firm. All Proposers will be notified of their standing immediately following the City’s decision.

The City shall not be bound or in any way obligated until both parties have executed a contract. The City also reserves the right to delay the award of a contract or to not award a contract.

### **3.4 Notice to Proposers Regarding RFP Terms and Conditions**

It shall be the Proposer’s responsibility to read the Instructions, the City’s Standard Contract Terms and Conditions (Appendix V), all relevant exhibits, attachments, and any other components made a part of this RFP and comply with all requirements and specifications herein. ### **3.5 Contract Term**

The Contract shall have an initial term of two (2) years, beginning on the date of the Contract award (the “Effective Date”). At the end of the Contract’s current term, the City shall have the option, in its sole discretion, to renew the Contract on the same terms and conditions for up to a total of three (3) additional one-year terms. The City will give the

Contractor written notice of its intent to exercise each option no later than thirty (30) days before the end of the Contract's then-current term. In addition, the City reserves the right to extend a contract term for a period of up to 180 days in 90-day-or-less increments.

## **4 SCOPE OF SERVICES**

The awarded Contractor shall provide services, all as outlined in this RFP and more particularly described in Section 4.

### **Background**

The City of Raleigh Parks, Recreation and Cultural Resources Department currently trains using the Emergency Care and Safety Institute (ECSI) curriculum. The City will consider other comparable curriculums that a vendor uses, provided it is a nationally recognized curriculum and it conforms to current CPR and Emergency Cardiac Care (ECC) guidelines. Currently, approximately 450 staff are trained in a full, certification course every two years, and trained in a shortened, refresher course in the alternate year. While the Department conducts its own Blood Borne Pathogens training for staff, the vendor should be willing to review and become familiar with our Department's Blood Borne Pathogens policies and Exposure Control Plan related to first aid and emergency care, to respond appropriately to related questions during training. It is expected that these courses are delivered through a traditional live classroom format with instructor(s), or a blended combination of online learning with in-person skills demonstration monitored by instructors.

### **Training Courses**

The successful Vendor shall perform for the City the following described instruction services:

#### **Full First Aid with CPR/AED Course (Full Course)**

This course covers general principles, medical emergencies, injury emergencies, and environmental emergencies. Participants will practice hemorrhage control, Epi pen, diabetic glucose, and anti-seizure medicine administration, shock management, bandaging, and relief of airway obstructions. The CPR component covers adult/child/infant CPR, AED use, and pocket mask use. This course includes the review of the PRCR Sudden Cardiac Arrest Protocol (SCA) and Exposure Control Plan. Typically 7 hours in length.

#### **Blended Full First Aid with CPR/AED Course: Combination of online course and live skills assessment (Full Course)**

A 6-hour online course covering basic First Aid, Epi pen, diabetic glucose, anti-seizure medicine administration, CPR for adult/child/infant, AED use, and pocket mask use. It also includes a review of the PRCR Department Sudden Cardiac Arrest Protocol (SCA) and Exposure Control Plan. Followed by a 2-hour live (*in-person*) hands-on skills assessment at a Raleigh PRCR location taken within 30 days of completing the online course.

The City of Raleigh delivers online content to its employees using an SAP SuccessFactors Learning learning management system (LMS). The online content is

provided by the vendor in accordance with the Online Content Standards as outlined in Appendix VII.

### **Refresher First Aid with CPR/AED Course (Refresher Course)**

Designed for staff that are currently certified in all of the components of the full course, the refresher course reviews concepts presented in the full course and provides ample time to practice skills through scenario activities. The purpose of this course is to refresh first aid and CPR content with staff on an annual basis and start to bridge the transition from classroom training to real emergencies. Typically 2.5 to 3 hours in length.

### **Chronic Conditions Management Course**

Epi-Pen, diabetic glucose, and anti-seizure medicine administration. Chronic conditions such as epilepsy, diabetes, and seizures require specialized care and management to enhance the quality of life for affected individuals. The course provides information on the physiology, signs, and symptoms of various medical emergencies and responding to those individuals' medical needs. The course is designed for staff not FA/CPR trained. Typically 1-1.5 hours in length.

### **Course Equipment and Supplies**

The following table contains a list of materials that will be provided by the vendor and available for each course as described:

<b>Course Equipment and Supplies</b>
<b>Per participant (“take home” materials) for Full Course:</b>
One pocket mask and case
Course textbooks
Certification card
<b>Course equipment (for use during the Full Course and Refresher Course):</b>
Use of infant/child and adult manikins that offer real-time compression Feedback (including participant knee pads for comfort if requested)
Use of all first aid supplies (gloves, gauze, tourniquet, etc.)
Use of AED Training Units
For chronic conditions, the vendor will provide all medical equipment
All necessary AV equipment
All necessary rosters, signature acknowledgments, and other paperwork

For chronic conditions management courses, the vendor will provide all AV equipment, handouts, and necessary medical equipment.

### **Method of Delivery**

The vendor shall describe the proposed established minimum standards for instructional staff, the course instructor to student ratios, length of courses and core course components.

Courses will be scheduled at dates and times convenient for the City and at City facilities. The City will be responsible for providing adequate classroom space including tables and chairs. Scheduling may occur on weekdays, weeknights, or weekends at no additional charge. The contractor may also be asked under limited circumstances to deliver a course over two days.

### **Paperwork**

The City will register students for courses, provide the vendor with a list of students at least one day prior the course, and handle notification of students for any cancellations.

All courses also include the Vendor securing the participant's signature on an agreement form provided by the City referencing the review and understanding of the SCA protocol.

Vendor shall send a course roster at the completion of every course within 48 hours of the course, including notification of any "no shows" and the SCA acknowledgement form. Rosters must include course title, date, time and duration, location of course, and participant names. Instructor names for individual courses may be sent with invoicing or with course certification cards.

Vendor shall invoice the City monthly. The invoice will include the dates of each course being invoiced and the number of students in each course. The invoice plus course rosters will provide adequate proof of services rendered. The standard City payment term is NET 30 days from the date of the invoice by Purchase Order.

In addition, Vendor will provide roster of all possible instructors with qualifications and a copy of the full course content to be kept on file with the City for record keeping.

### **Course Cancellation Policy**

There shall be no charge or penalty for canceled courses under the following conditions:

If either the City or Contractor must cancel a course, standard notice shall not be less than 48 hours, including cancellation due to low course registrations.

Inclement weather policy: In the case of events requiring the City to respond under emergency action plan circumstances (such as severe weather or disaster recovery incidents), the City may need to reschedule training with less notice than 48 hours. We agree to contact the Contractor as soon as deemed imminent. Our current notification policy for

training is to contact instructors by 8PM the night before a morning training, 10AM for an afternoon training or 2PM for an evening training.

**APPENDIX I**
