

BID NOTIFICATION

BID 20294

Guilford County Enterprise Resource Planning (ERP) Journey Partner

Published: December 2, 2025

Expiration: January 16, 2026

Guilford County is in the process of developing plans to identify a “strategic Enterprise Resource Planning (ERP) Journey Partner” to revamp its existing diverse portfolio of ERP product eco system supporting its core business processes.

This Request for Information (RFI) is intended to collect information and recommendations regarding qualified consulting firms (Journey Partners) that can provide strategic, program-level and hands-on execution support for a multi-year ERP transformation project across Finance, Human Capital Management (HCM), and Budget domains. County currently has a mix of software platforms which include Tyler Munis, Infor Lawson, Open Gov, UKG Kronos etc. The RFI is informational and non-binding.

All questions pertaining to this RFI must be emailed to the Guilford County Purchasing Department at DG_Purchasing@guilfordcountync.gov in accordance with this event schedule . The RFI number and title of the event must be referenced in the email. Each question asked will be answered for all Respondents to view by way of an Addendum and posted in the automated system. No question will be considered after the Q&A close date and time on Tuesday, December 9, 2025.

To view the Request for information (RFI), please visit Guilford County’s Vendor Self Service automated bidding system at <https://guilfordcountync.munisselfservice.com>
