An optional pre-bid meeting will be held at Town Hall, 502 Southtown Circle, Rolesville NC 27571 on November 5, 2024, at 10:00 AM local time.

Work included in the project consists of removing the existing wood timbers that create the walkways and amphitheater seating, as well as all mulch and the wood stage. The area will be regraded for new concrete walkways and new tiered seating, using stone retaining walls. A new concrete stage will be constructed, and drainage will be improved in the area with grading and a new storm system.

The State Department of Administration requires participation by minority or women-owned businesses according to General Statute 143-128.1(a).

Town of Rolesville as owner reserves the right to reject any and all bids for any reason.
