

## **GUILFORD COUNTY LEGAL NOTICES**

### **REQUEST FOR QUALIFICATIONS**

#### **BID 20331 (REBID #1) On-Call Professional Architectural & Engineering Services**

Published: August 26, 2026

Expiration: September 18, 2026

Request for Letters of Interest and Qualifications for Architecture Services for On-Call Professional Architectural and Engineering Services, Bid 20331 (REBID #1). Last day for questions September 8, 2026. Proposals Due: September 18, 2026. Project Description: Guilford County seeks of interest from qualified architectural and engineering firms to provide on-call professional services for the planning, design, bidding, construction administration, and construction inspection of various upcoming County infrastructure and other municipal capital improvement projects.

Letters of Interest will be accepted for the broad disciplines listed below. Each discipline includes examples of the types of services that may be requested; however, these examples are intended for illustrative purposes only and are not all-inclusive. Interested firms are to apply to their areas of expertise and technical skillset; it is not expected to apply for each example of services, nor to both disciplines. Firms that wish to apply to multiple types of service only need to submit one letter of interest.
