

Designer Solicitations

Full Details

Institution	East Carolina University
Institution URL for Additional Information about this Project (Optional)	
Project Name	Tyler White Clement Residence Halls Rooftop Units
Type of Services	Engineering/Architectural
Project Manager	LL Everett
Phone Number	(252) 328-2005
Contact Email	everettle@ecu.edu
Closing Date	01/11/2024
Project Budget	\$ 1,600,000
Project Description	<p>One-Two Sentences</p> <p>'The existing roof top units on the three residence halls are over 20 years old and have served their life span and are in need of replacement. The necessary maintenance has become problematic and expensive to maintain. These units provide conditioned make up air in the corridors to eliminate negative air pressure between corridors and student rooms. This project will install new energy efficient roof top units with hot water reheat to replace the existing units and connect to the building automation system. Construction is scheduled for the summer of 2025.</p> <p>Current project authority is for advance planning only. The selected firm may be retained through full design and construction at the university's option.</p>
Submit Letters of Interest and Current SF-330 to:	<p>(Contact Person, Name of Institution & Address)</p> <p>LL Everett East Carolina University Facilities Engineering & Architectural Services 1001 E. 4th St. Greenville, NC 27858</p>

In order to offer architectural or engineering services in response to this solicitation, the proposer must be licensed in the State of North Carolina.
