

**Invitation for Bid No. 2025-036**

**Union County Water/Wastewater  
On-Call Construction Repairs**

---

**ADDENDUM No. 1**

**ISSUE DATE: March 20, 2025**

Responding Offerors on this project are hereby notified that this Addendum shall be made a part of the above named IFB document.

The following items add to, modify, and/or clarify the IFB documents and shall have the full force and effect of the original Documents. This Addendum shall be acknowledged by the Offeror in the IFB document.

## **Add/Delete**

1. Delete: Appendix A – Bid Form.

Add: Attachment 1 – Revised Appendix A – Bid Form.

*End of Add/Delete Section*

## **Questions/Answers**

1. Is the County or the contractor responsible for asphalt?

Answer: Refer to Section 5.7 Cutting, Patching, and Digging and Appendix A – Bid Form, Items 42 – 45.

2. Materials: Backfill materials will be supplied by Union County.

Answer: This is correct.

3. Bid Item 46 is duplicated and might create some confusion.

Answer: See Add/Delete Section.

*End of Questions/Answers Sections*

## **Attachments**

1. Revised Appendix A – Bid Form
2. Pre-Bid Sign-In Sheet

End of Addendum 1

## 8 APPENDIX A – BID FORM

### IFB No. 2025-015 Union County Water On-Call Construction Repairs

#### SUBMIT WITH BID

Company Name: \_\_\_\_\_

Unit prices shall be applied, as appropriate, to compute the total value in the scope of the work all in accordance with the Contract Documents. Bidder acknowledges that quantities are approximate only and are given as the basis for comparison of Bids. The Owner may increase or decrease the quantity of any item or portion of the work as may be deemed necessary or expedient. An increase or decrease in the quantity of any item will not be regarded as sufficient grounds for an increase or decrease in the unit prices, nor in the time allowed for the completion of the work. The quantities shown on the Bid Form are for the base bid only. It is the responsibility of the Contractor to apportion the cost of unit price items to the base bid listed using information in the Contract Documents. The cost for all unit price items shall be included within the base bid.

Bidder agrees to perform all work described in the Bidding Documents for the unit prices set forth in the Bid tabulation. Work may be required to be performed at night, weekends, or on holidays and no separate bid prices will distinguish for the time of work.

Each Bidder must acknowledge that subcontractors are only to be used with the express written permission of Union County.

Contractors shall be responsible for always providing the minimum required personnel and equipment during the project as indicated in each bid item. If the Contractor is unable to meet the minimum requirements, the bid item will not be paid at the approved rate. The rate may be paid at a proportional amount based on the percentage of equipment/personnel actually provided.

The pricing shall include all costs to the Contractor including, without limitation, fuel, travel, transport, hauling, permits, overhead, profit, taxes, insurance, lube, and service requirements, etc.

#### **Bid Package Checklist:**

The following items are submitted and made a condition of this Bid:

1. Appendix A – Bid form (signed)
2. Appendix B – Bid Submission Form (signed)
3. Appendix C – Addendum and Anti-Collusion Form (signed)
4. Required Bid Security
5. List of Proposed Subcontractors
6. List of 5 Project References
7. Evidence of Authority to do Business in the State of North Carolina
8. North Carolina Contractor's License No.

## Appendix A - Bid Form

This Bid Form must be completed in its entirety, signed by an executive of the company that has authority to contract with Union County, NC, and submitted with bid. Failure to complete the following form shall result in your Bid being deemed nonresponsive and rejected without any further evaluation.

Company Name: \_\_\_\_\_

**Union County Water requires the Contractor to respond to each emergency incident within 4 hours of notification with confirmation that the Contractor can mobilize manpower and equipment to the designated Union County site within 12 hours of the same notification.**

| Item                         | Description  | Hourly Rate | Hours | Unit Cost/<br>Lump Sum | Units | Total Cost |
|------------------------------|--|-------------|-------|------------------------|-------|------------|
| 1                            | Superintendent, previously approved by the Owner, to meet with the Owner within four (4) hours of notification by Owner, in order to assess the project situation with the Owner and establish the Work Order for the Contractor's scope of services and schedule for responding to the Owner's request.   |             | 80    |                        |       |            |

|    |   |  |  |          |    |  |
|----|---|--|--|----------|----|--|
| 16 | Mobilization within twelve (12) hours of issued Notice to Proceed and demobilization combined as one lump sum price for acquiring, installing and maintaining any and all materials and equipment required to complete Dewatering 6" and above Pumps (pumps, discharge hose, intake hoses, well points, etc.).  |  |  | Lump Sum | 20 |  |
| 17 | Dewatering: Rate shall be provided on a per day rate. Contractor shall be responsible for maintaining any and all labor, materials and equipment required to complete the task (pumps, discharge hose, intake hoses, well points, etc.). Daily rate will be paid for dewatering system 6" and will stop at the time it is determined that it is no longer needed. |  |  | Per Day  | 30 |  |

**Traffic Control:**

Traffic Contractor shall provide all signs, cones, barricades, and other related or required traffic control devices to meet the NCDOT standards of the MUTCD. Contractor is responsible for traffic control planning and approval by any jurisdictional regulating agency. Rate shall include all labor, traffic control devices, vehicles, trailers, etc. that may be required to transport install and remove the devices after the project is completed. Rate for traffic control shall be paid for on a unit price basis. A day will be measured as a twenty-four (24) hour period. If it is necessary for the Contractor to purchase a specific sign, Contractor shall invoice Union County for the reasonable cost of same. Any such purchase must be approved by Union County in advance. Purchased signs will be the property of Union County and will be returned to Union County when construction is completed. The early warning signs are incidental to the specific project.

|    |  |  |  |         |   |  |
|----|--|--|--|---------|---|--|
| 18 | Single lane closure on two (2) lane roads.   |  |  | Per Day | 1 |  |
| 19 | Road Closure 2 Lane Road Intersection to Intersection  |  |  | Per Day | 1 |  |
| 20 | Single or Dual Lane Closure - 4 Lane Road with existing turn lane(s).  |  |  | Per Day | 1 |  |
| 21 | Closure of intersection, 3 lanes or less at intersection.  |  |  | Per Day | 1 |  |
| 22 | Intersection Closure 4+ Lanes in more than one direction at intersection.  |  |  | Per Day | 1 |  |
| 23 | Price for Variable Message Board ("VMB") utilization to include delivery to work site, fuel or power maintenance requirements, transportation, setup, and demobilization. Payment shall start when the VMB is installed and is operational as directed by the Union County and payment shall stop at the completion of construction or when notified by Union County that VMB is no longer required. |  |  | Per Day | 1 |  |

|  |  |  |   |          |         |  |
|--|--|--|---|----------|---------|--|
| 24   | Light Tower utilization to include delivery to work site, fuel or power maintenance requirements, transportation, setup, and demobilization. Payment shall start when the light tower is installed as directed by the Union County and payment shall stop at the completion of construction or when notified by Union County that light tower is no longer required. |  |   | Per Day  | 1       |  |
| <b>Additional Equipment with Operators (No Shared Operators)</b> |  |  |   |          |         |  |

| <b>Welding:</b>   |  |  |  |          |         |  |
| Contractor must be able to provide a certified welder and the required tools and equipment, with weld testing documentation signed by a Certified Welding Inspector (CWI) for fillet and plate welding, to make the repairs necessary to our carbon steel raw water piping. Welding certification must be current within the prior 12 months. Contractor must also provide Non-Destructive Testing (NDT) for any welds completed on the pipeline prior to coating and backfill of the pipeline. This is unit cost per day. A day will be measured as a twelve (12) hour period. |  |  |  |          |         |  |
| 65  | Welding with Rig   |  |  | Per Day  | 1       |  |
| <b>Total Bid:</b>   |  |  |  |          |         |  |
