

## Notice to Bidders

The City of Sanford invites sealed bids for the **Street Resurfacing (Asphalt) Project** at various locations within the City, covering approximately 1.72 miles. The project includes, but is not limited to:

### Scope of Work:

- **Full Depth Reclamation (FDR):** Reclaim 0.26 miles of roadway on Balsam Lane and Hemlock Drive using the Full Depth Reclamation process. The contractor must hire a licensed North Carolina Geotechnology Firm to assess the subgrade and incorporate the existing roadway material. The final structure includes 2" Type S 9.5 B surface course, 8" I-19.0 C base/intermediate course on a 6" Portland cement treated base.
- **Patching and 1" Overlay:** For the remaining 1.46 miles, patching will be a minimum of 5" with a 1" overlay. Patch locations will be determined by City Inspection Staff, and materials will be paid by tonnage placed. The work includes 9,112.84 SY of S 9.5 B Asphalt Surface Course, 723.32 tons of I-19.0 C Asphalt Intermediate Course, and 300 SY of milling for transitions.
- **Shoulder Rehabilitation:** Shoulder grading will create a positive slope away from the new pavement structure with new stone placement.

### Bid Submission:

Sealed bids will be accepted until **1:00 PM on November 7, 2024** after which they will be publicly opened. Bids must include the bidder's name, address, and NC contractor license number, and must include a 5% bid deposit as per N.C. General Statutes 143-129.

**Bid documents** and project specifications can be requested via email at **bidopportunities@tririverwater.com**. Please ensure the title of this solicitation is included in the subject line or within the body of the email to address your request properly. **Final questions must be submitted 5 calendar days before the closing date.**

The City of Sanford reserves the right to reject any or all bids, waive informalities, and award the contract as per NC General Statutes.
