ScreenBeam 960 Wireless Display (SBWD960A)

- **If support is for an existing system, what is that system?**
- The conference rooms are all standardized.
-
- **Small: Defined as possible 4 people**
- Wall mounted 55-inch commercial display
- 6 outlet Commercial Power Strip surge protector
- Extron 42-271-01 Meeting Space Collaboration System with Decorator Wall Plate with HDMI ports for user device connection. (HDMI & USB-C)
- 15 ft HDMI Patch Cords
- Wall mounted Extron 60-1795-01 NBP 200 Network button panel to control display on/off, audio volume control etc.
- Multifunctional Thin Client CPS Holder
- Wiremold – If needed
- Screenbeam 960 for wireless user device connectivity.
- Biamp - 4K Camera / Soundbar - Parle' VBC 2500

- **Medium: Defined as possible 6 to 8 people**
- Wall mounted 65-inch commercial rated display
- 6-Outlet Commercial Power Strip Surge Protector
- Extron 60-1592-01 Cable Cubby 100 tabletop user device connection facility with pass thru HDMI patch cords. (HDMI & USB-C)
- Extron 42-268-01 under table mounted HC404 Meeting space collaboration system, combines video switching, scaling, signal extension, and system control into a transmitter and receiver pair.
- Wall Mounted Extron 60-1795-01 NBP 200 Network Button Panel to control display on/off, audio volume control etc.
- Multifunctional Thin Client CPS Holder
- Wiremold – If needed
- Screenbeam 960 for wireless user device connectivity.
- Biamp - 4K Camera / Soundbar - Parle' VBC 2500

- **Large: Defined as possible 10 to 18 people**
- Depending on Construction budget
- Samsung 75-inch Commercial Display – Full-Motion Bracket Wall Mounted
- Samsung 85-inch Commercial Display – Full-Motion Bracket Wall Mounted
- 6-outlet Commercial Power Strip Surge Protector
- Extron 60-1399-02 Cable Cubby 202 tabletop user device connection facility with cable retractors for HDMI and USB patch cords. (HDMI & USB-C)
- Extron 42-268-01 under table mounted HC404 Meeting Space Collaboration System, combines video switching, scaling, signal extension, and system control into a transmitter and receiver pair
- Wall mounted Extron 60-1795-01 NBP 200 Network Button Panel to control display on/off, audio volume control etc.
- Multifunctional Thin Client CPS Holder
- Marshall 5x PTZ Camera
- Marshall Wall Mount for camera
- Biamp – Meeting Room Bundle
- Wiremold – If needed
- Screenbeam 960 for wireless user device connectivity.
- Vaddio Camera with Soundbar for Teams or Zoom Meeting or Biamp - 4K Camera / Soundbar - Parle' VBC 2500

- **X-Large: Defined as possible 20 or more people**
- Depending on Construction budget
- Samsung 85-inch Commercial Display – Full-Motion Bracket Wall Mounted
- Samsung 95-inch Commercial Display – Full-Motion Bracket Wall Mounted
- 6-outlet Commercial Power Strip Surge Protector
- Wall mounted Extron 60-1795-01 NBP 200 Network Button Panel to control display on/off, audio volume control, etc.

- Extron 60-1399-02 Cable Cubby 202 tabletop user device connection facility with cable retractors for HDMI and USB patch cords. (HDMI & USB-C)
- Extron 42-268-01 under table mounted HC404 Meeting space collaboration system, combines video switching, scaling, signal extension, and system control into a transmitter and receiver pair.
- Multifunctional Thin Client CPS Holder
- Marshall 5x PTZ Camera
- Marshall Wall Mount for camera
- Biamp – Meeting Room Bundle
- Wiremold – If needed
- Screenbeam 960 for wireless user device connectivity.
- Biamp Device SCR-20CX under-table mounted conferencing hub for web-based conferencing system. Includes one each SCR-20 Hub and TCM-XEX beamtracking ceiling microphone
- Vaddio 999-9990-000W Conference Shot 10 camera system designed for compatibility with soft conferencing clients

- **If a new project, what type of space and type of work?**

Mainly Conference rooms, Reception Areas, Multipurpose rooms & a couple other 1 off situations

- **If as a design retainer, for what type of space(s) would be part of this scope?**

We have had other rooms come up with new construction.

- Such as:
- Autopsy Room – New Autopsy Building
 - Decomp Room – New Autopsy Building
 - Observation Room – New Autopsy Building
 - Multipurpose Room (Divided rooms with 98" TVs, Cameras and more)
 - New Water Operation Center Additions
 - Cubical Area (3 monitors with one source) – New Water Operation Center Additions
 - Modified Conference Rooms – New Water Operation Center Additions

I don't see where the proposal addresses costs associated with non-labor items (equipment, supplies, etc.) Do you wish to have those costs defined in the form of a cost-plus markup percentage?

At this time the county is not asking for costs of specific equipment. We will negotiate that on as case by case basis.
