#### Addendum #2

Issue Date: June 9, 2025

#### RFP EMS FY25-005 Construction Infrastructure Analysis

This addendum is being issued to provide clarification to specifications of the bid following questions from potential bidders. The Proposer must acknowledge receipt of this addendum (Attachment A) for the Proposal to be deemed acceptable. No consideration will be allowed due to any potential Proposer not being aware of or familiar with this addendum. This addendum shall form part of the RFP and is to be read, interpreted, and coordinated with all other parts.

Can you provide a list of County owned facilities with addresses? This will help with preparing our response in regards to debris removal management and mobilization and execution of services. It will also help us look at the different roof types and building size. [The list is attached.](#)

*(Note: First addendum was on the Eprocurement site and was only to point out the due date clarification. This is the only addendum issued with questions.)*
