1.2 **Background**

The City of Raleigh, the Capital City of North Carolina, remains one of the fastest growing areas in the country. A great economy, top educational institutions, and exceptional health care facilities are some of the characteristics that attract people to the triangle area. The mild climate, diverse work force and proximity to Research Triangle Park combine to make Raleigh a great place to live.

Raleigh is a 21st Century City of Innovation focusing on environmental, cultural, and economic sustainability. The City conserves and protects our environmental resources through best practice and cutting-edge conservation and stewardship, land use, infrastructure and building technologies. The City welcomes growth and diversity through policies and programs that will protect and enhance Raleigh's existing neighborhoods, natural amenities, history, and cultural and human resources for future generations. The City leads to improve quality of life for neighborhoods and standard of living for all citizens. The City works with universities, colleges, citizens, and local partners to promote new technology, create new job opportunities, and encourage local businesses and entrepreneurs. The City enlists and prepares 21st Century staff with the skill sets to carry out the duties of the City through transparent civic engagement and by providing the very best customer service to our citizens.

The City seeks a qualified consulting firm to provide consulting services and actuarial analysis for its group employee health (includes medical, dental and prescription drug, flexible spending and reinsurance) benefits program.

The City is interested in contracting with a firm to assist the City with a three-year healthcare benefits strategy for both active and retiree participants in order to ensure competitiveness and cost effectiveness, assist in the procurement and renewal for its health, prescription drug, dental, stop loss and flexible spending benefit programs, and consult in ongoing plan management services. It is critical that the selected vendor be

experienced in integrating comprehensive wellness solutions into the overall benefits strategy and effective in demonstrating the effectiveness of wellness strategies.

The selected firm should be able to analyze the ongoing experience of the City and routinely provide recommendations of improvement, changes in healthcare regulations and, when appropriate, new benefit options based on employee demographics, current plan designs and utilization. The awarded firm will be expected to regularly meet with the Human Resources Department and, the City's Benefits Committee (or designated internal working groups) to discuss current benefits experience, trends, and consideration of new strategies and actions. This will also include regular distribution of reports (no less than monthly) that provide data on benefit performance and trends.

Proposals will be evaluated on a firm's qualifications, background, and prior experience in conducting similar services, service approach, current and past client references, and cost of services. Experience with public sector agencies, particularly North Carolina counties or cities, is preferred

Current Benefit Program Background Information

The City of Raleigh offers a self-funded health, dental, and prescription drug program to eligible employees.

The City also provides basic life insurance with accidental death and dismemberment coverage at no cost to the employee. All benefit-eligible employees participate in the Local Government Employees' Retirement System and are required to contribute 6% of their salary, while the City is required to contribute the amount specified by the State Treasurer. Employees also benefit from the City of Raleigh Supplemental Retirement Plan (457). The City provides a 3% contribution irrespective of the employee's contribution. A 401(k) Plan is also available through the NC Department of State Treasurer.

Supplemental insurance coverage is available for life, dependent life, short-term disability, whole life, and accident with the employees paying the full cost. Employees also have the option to participate in flexible spending health, dependent care, and parking programs.

The plan year for the benefit programs begins January 1 of each year, with the open enrollment period being held in October/November time frame.

The City also has an Employee Wellness Program. The program includes annual screenings, health risk assessments, workshops, online health resources and programs to promote employee health awareness.

Health and Prescription Drug Insurance: The City offers two PPO health insurance plans offering both in-network and out-of-network services through BCBSNC. Phone based telemedicine services are embedded in the PPO health insurance plans and offered through a third-party vendor (Teladoc).

Retirees who meet specified criteria are eligible for retiree health insurance coverage. Coverage continues until retirees reach the age of 65. While the retiree cost for coverage varies, retirees are required to pay for dependent coverage. Once retirees reach the age of 65, they are offered a Medicare supplement through Blue Cross and Blue Shield of North Carolina. The City pays the retiree \$100.00 per month toward the cost of the Medicare supplement premium. The City of Raleigh will be conducting an in-depth analysis of our active and retiree health coverage during the contract period with the selected provider.

Dental Insurance: In addition to health Insurance, the City offers a self-funded dental plan to all full-time employees that is currently administered by Delta Dental. The dental program is a standard indemnity program and provides two different plan options. The City pays the cost for employees who elect single coverage in the lower plan option. Employees who elect dependent coverage pay a premium.

COBRA & Flexible Spending Program: Flexible Spending plans are available for medical, dependent care, and parking. Currently, Flores & Associates, LLC administers the program. Employees can contribute a maximum of \$2750.00 per year for the medical and \$5000.00 per year for dependent care accounts, and \$270 per month for the parking account. Employees can access funds for reimbursement via a debit card or paper reimbursement. The City of Raleigh pays the administrative fees for employees who participate in the program. . Also, the City extends COBRA coverage to employees who are no longer benefits eligible. Flores & Associates, LLC is the City's plan administrator.

Other Employee Benefits:

The City provides other employee benefits for which the City is not seeking employee benefits consulting services at this time. However, the City may be interested in seeking consulting services for these benefits in the future.

Life Insurance: The City's Life insurance benefits will be administered by the Standard effective January 1, 2025. The City provides basic life with accidental death and dismemberment coverage at no cost to the employee. The coverage for Basic life and Accidental Death and Dismemberment insurance is equal to one-time an employee's annual salary to a maximum of \$250,000.

Supplemental life insurance can be purchased by the employee in \$10,000 increments with a guaranteed issue of three times the employee's annual earnings or \$125,000, whichever is less. Additional amounts up to \$400,000 can be purchased by completion of an Evidence of Insurability form and approval from underwriting.

Spousal and dependent supplemental life insurance coverage is also available at the employee's cost. Spousal term life insurance coverage can be purchased in \$10,000 increments up to \$250,000 (not to exceed 100% of the employee's premium).

Disability Insurance

Short-term disability benefits can be purchased at the employee's cost. Employee rates are age-banded and based on a 14-day, 30-day, or 90-day elimination period. Weekly

benefits correspond to 60% of monthly salary not to exceed \$5000. Employees can elect a reduced weekly benefit but never more than 60% (\$5000). Short term disability is administered by One America.

Group Accident and Critical Illness Insurance: Group accident insurance coverage is available at the employee’s cost. Critical illness insurance can be purchased by the employee in \$5,000 increments up to \$50,000 for the employee and up to \$25,000 for spouse. Group accident and critical illness insurance are administered by Aflac.

Retiree Health Care

The City of Raleigh provides health coverage for retirees that retire from the Local Governmental Employees’ Retirement System (LGERS) and meet the City’s additional eligibility requirements.

To be eligible for health coverage the person must retire from the LGERS immediately upon termination of active employment. There can be no break in coverage. This means that a person cannot leave employment and later meet the requirements of LGERS and at that time be enrolled in our insurance plan.

Dental

Dental continuation coverage is only available through COBRA

Funding of Retiree Health Care and Other Retiree Benefits (OPEB)

The City fully funds its OPEB benefits on an actuarial basis as a single employer defined benefit pension plan. The accounting and reporting of the plan’s related expenses and liabilities is done in accordance with requirements of Governmental Accounting Standards Board (GASB) Statement No. 75, “Accounting and Financial Reporting for Postemployment Benefits Other than Pensions.”

Fiscal and Plan Years:

The City operates on a July 1 – June 30 fiscal year and the benefits plan year is January 1 – December 31. In addition, the City’s benefits budget is based on the City’s fiscal year.

1.11 Conflicts of Interest

City of Raleigh contracts are controlled by three conflict of interest provisions.

First, federal procurement standards provide in 2 CFR 200.318 (c)(1),

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or a firm which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non-Federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

Similarly, the North Carolina General Statutes provides a *criminal* statute for conflicts of interest in public contracting. N.C.G.S. § 14-234(a):

(1) No public officer or employee who is involved in making or administering a contract on behalf of a public agency may derive a direct benefit from the contract except as provided in this section, or as otherwise allowed by law. (2) A public officer or employee who will derive a direct benefit from a contract with the public agency he or she serves, but who is not involved in making or administering the contract, shall not attempt to influence any other person who is involved in making or administering the contract. (3) No public officer or employee may solicit or receive any gift, favor, reward, service, or promise of reward, including a promise of future employment, in exchange for recommending, influencing, or attempting to influence the award of a contract by the public agency he or she serves.

City of Raleigh Charter Section 3.9 regulates private transactions between the City and its officials and employees. The Charter states:

No member of the City Council, official, or employee of the City of Raleigh shall be financially interested, or have any personal beneficial interest, either directly or indirectly, as agent, representative, or otherwise, in the purchase of, or contract for, or in furnishing any materials, equipment or supplies to the City of Raleigh, nor shall any official or employee of the City of Raleigh accept or receive, or agree to accept or receive, directly or indirectly, from any person, firm or corporation to whom any contract may be awarded or from whom any materials, equipment or supplies may be purchased by the City of Raleigh, by rebate, gift, or otherwise, any money or anything of value whatsoever, or any promise, obligation or contract for future reward or compensation, for recommending or procuring the uses of any such materials, equipment or supplies by the City of Raleigh; no member of the City Council, official or employee of the City of Raleigh shall for his own personal benefit operate, directly or indirectly, any concession in any building or on any lands of the City of Raleigh, nor shall any official or employee of the City of Raleigh bid for or be awarded any contract granting concessionary rights

of any nature or kind from the City of Raleigh; it shall be unlawful for any member of the City Council, official or employee of the City of Raleigh to bid for or to purchase or to contract to purchase from the City of Raleigh any real estate, equipment, materials, or supplies of any nature or kind whatsoever, either directly or indirectly, at either public or private sale, either singly, or through or jointly with any other person.

1.12 Proposer Expenses

The City of Raleigh will not be responsible for any expenses incurred by any Proposer in the development of a response to this Request for Proposal or any other activities associated with this procurement including but not limited to any onsite (or otherwise) interviews and/or presentations, and/or supplemental information provided, submitted, or given to City of Raleigh and/or its representatives. Further, the City of Raleigh shall reserve the right to cancel the work described herein prior to issuance and acceptance of any contractual agreement/purchase order by the recommended Proposer even if the awarding authority for each entity has formally accepted a recommendation.

Submission of any proposal indicates a Proposer's acceptance of the conditions contained in this RFP unless clearly and specifically noted otherwise on Appendix VI Exceptions to RFP and submitted with proposal. Furthermore, the City of Raleigh is not bound to accept a proposal on the basis of lowest price, and further, the City of Raleigh has the sole discretion and reserves the right to cancel this RFP, and to reject any and all proposals, to waive any and all informalities and/or irregularities and reserves the right to re-advertise this RFP with either the identical or revised scope and specifications if it is deemed to be in the best interests of the City of Raleigh to do so. The City of Raleigh reserves the right to accept or reject any or all of the items in the proposal, and to award the contract in whole or in part and/or negotiate any or all items with individual Proposers if it is deemed in the best interest of the City of Raleigh to do so. Moreover, the City of Raleigh reserves the right to make no selection if proposals are deemed to be outside the fiscal constraint or not in the best interest of the City of Raleigh.

A—the lowest Proposer’s cost.

B—the Proposer’s cost being scored.

C—the maximum number of cost points available.

D—Proposer’s cost score (points).

Note: If the formula results in a negative number (which will occur when the Offeror’s cost is more than twice the lowest cost), zero points shall be assigned.

3.2 Interview/Demonstration (Stage 2)

A short-list of firms may be invited to Stage 2 of the evaluation process, the *Interview/Demonstration*. Interview/demonstrations are an important aspect of the evaluation process that offers the City an opportunity to see how the proposer’s solution meets the critical components of the RFP.

3.3 Final Selection

Either a final selection for recommendation will be made at this time or the short-list of firms will be invited to participate in Stage 2 of the evaluation process. If Stage 2 is implemented, each firm will be evaluated and assigned a score to determine the best firm for recommendation.

After which negotiations of a contract with the most qualified firm will commence. If negotiations are unsuccessful, the City will then pursue negotiations with the next most qualified firm. All Proposers will be notified of their standing immediately following the City’s decision.

The City shall not be bound or in any way obligated until both parties have executed a contract. The City also reserves the right to delay the award of a contract or to not award a contract.
