Purchase the Following Items: Chromebooks identified on the attached Item Detail & Bid Sheet.

Items referenced and specified herein are based upon a particular manufacturer, but are used for the purpose of identification and to establish a general quality level. Such references are not intended to be restrictive, and functionally equivalent products of other manufacturers will be considered. However, bidders are cautioned that any deviation from specifications must be pointed out in their bid. Functional equivalency shall be determined by Wilson County Schools (WCS). WCS shall not be obligated to accept deviations if deemed not to be in the best interest of WCS.

Quantities shown are not a guarantee of purchase. The quantities could be more or less. Please take that into consideration when you are submitting a bid.

Award Criteria: As provided by statute, award will be based on the lowest and best bid(s) (most advantageous to WCS) as determined by consideration of:

| | |
|--|----|
| Price of the eligible products and services requested | 40 |
| Prior experience with the vendor & brand of equipment | 35 |
| Prices for ineligible services, products, and fees | 15 |
| Local in state vendor/Compatibility with current systems | 10 |

WCS reserves the right to waive any minor informality or technicality in bids received.

Bid Evaluation: Bids are requested on the items and/or equipment as hereinafter specified. Bidders are cautioned that any/all information furnished or not furnished on this bid may be used as a factor in determining the award of this contract.

Basis for Rejection: Wilson County Schools reserves the right to reject any and all offers, in whole or in part, by deeming the offer unsatisfactory as to quality or quantity, delivery, price or service offered: non-compliance with the requirements or intent of this solicitation; lack of competitiveness; error(s) in specifications or indications that revision would be advantageous to Wilson County Schools; cancellation or other changes in the intended project, or other determination that the proposed requirement is no longer needed; limitation or lack of available funds; circumstances that prevent determination of the best offer; or any other determination that rejection would be in the best interest of Wilson County Schools.

Budgetary Limitations: Should it become necessary, based upon budgetary limitations, WCS reserves the right to reduce or increase quantities. Therefore, bidders must include all fees associated with the proposal, including taxes and freight in the "each" pricing for each line item, as well as identifying a per unit installation cost for each line item if applicable.

Timeline for Complete Order: WCS reserves the right to order portions of the total items in phases, not to exceed 1 year from the date the bid is awarded or until the end of the 2023-2024 academic year, whichever is later. The price listed must be offered to Wilson County Schools for the duration of 1 year for additional orders of the product listed in this bid.

Delivery and Installation: Items called for herein will be furnished, delivered, off-loaded and left ready for use in accordance with the requirements stated herein. All items must be pre assembled upon arrival. All shipping cartons, packages, etc. must include the applicable WCS purchase order number clearly marked on the package or included on a packing slip/list with the package. WCS reserves the right to consider the delivery time offered as a factor in the award of contract.

Deviations: Deviations from specifications and requirements must be documented on a separate sheet and attached to your bid. Item(s) offered is (are) in strict compliance with these specifications and requirements, and successful bidder will be held responsible therefore. Bidder is advised that the response (or lack thereof) on this question does not take precedence over specific responses or non-responses provided elsewhere in this bid.

Late Bids: Regardless of cause, a late bid will not be accepted and will automatically be disqualified from consideration. It shall be the Vendor's sole risk to ensure delivery at the designated office by the designated time. Late bids will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

Award Notification: After the bids have been evaluated and an award has been made, each vendor who submitted a bid will be notified of the award. The award may not be made for several weeks depending upon the complexity of the acquisition and the length of time to complete the evaluation process.

Confidentiality of Bids: In submitting its bid, the bidder agrees not to discuss or otherwise reveal the contents of its bid to any source outside of WCS until after the award of the contract. All bidders are advised that they are not to have any communications with WCS during the evaluation of the bids (after the public opening of the bids and before the award of the contract) unless WCS contacts the bidder for the purpose of seeking clarification. A bidder shall not: transmit to the issuing and or using agency any information commenting on the ability or qualifications of any other bidder to provide the advertised equipment, defects, errors and/or omissions in any other bidder's bid and/or prices at any time during and/or award of the contract that is subject of this IFB. Bidders not in compliance with this provision may be disqualified, at the option of WCS, from the contract award.

10. **References:** WCS reserves the right to require a list of users of the exact item offered. WCS may contact these users to determine acceptability of the bid. Such information may be considered in the evaluation of the bid.
11. **Award of Contract:** As directed by statute, qualified bids will be evaluated and acceptance may be made of the lowest and best bid most advantageous to WCS as determined upon consideration of such factors as: prices

The agreements set forth in the Contract Documents are sometimes referred to herein as the "Contract." Stenographic and clerical errors and omissions by WCS are subject to correction.

2. **Availability of Funds:** No legal liability on the part of WCS for any payment may arise until funds are made available to WCS' Finance Officer and until Contractor receives notice of such availability. Should such funds not be appropriated or allocated, WCS may at its discretion immediately terminate the Contract. WCS shall not be liable to Contractor for damages of any kind (general, special, consequential or exemplary) as a result of such termination.
3. **Quantities:** Shipments must equal exact amounts ordered unless otherwise agreed to in writing by WCS. The award of a term contract neither implies nor guarantees any minimum or maximum purchases.
4. **Prices:** If Contractor's price or the regular market price of any of the Goods or Services covered hereunder is lower than the price stated in the Contract Documents on the date of shipment of such Goods or Services, Contractor agrees to give WCS the benefit of such lower price on any such Goods or Services. In addition to any other rights available at law or equity, WCS shall be entitled to all rights and remedies provided by the Uniform Commercial Code, Chapter 25 of the North Carolina General Statutes, for breach of express warranties and implied warranties of merchantability or fitness for a particular purpose, including but not limited to consequential and incidental damages.
