1. Q. Are we performing any PM's on the ATS's or Switch gear. There was a reference on page 14 but no equipment information or scope of work?
  - A. There are no PM's on the ATS's or switchgear listed in this RFP. Any work of this nature should be quoted as needed separately from the contract based on the labor rates for PM work and emergency service labor. Provide these rates for the PM work and emergency service in the attached labor rates spreadsheet.
2. Q. What Year would the Full Service Pm's fall under for the generators. The PM with the Oil Change and Coolant?
  - A. See attached schedule.
