Attachment A

Location	MFP Copier / Duplicator / Fax / Printer	Color or B&W	Pages per Minute	Minimum Paper Capacity	Cassettes Required	Large Capacity Cassette (2,000 sheets+)	Minimum Scan Speed	Embedded OCR Capability	Banner Printing Capability (12"x47")
----------	---	-----------------	------------------------	------------------------------	-----------------------	---	--------------------------	-------------------------------	--

Note 1: All Schools have at least one fax. Schools may opt to have fax option included on any copier.
 All Duplicators must have a hecon installed and operational (for access codes and limiting copies) upon delivery of Duplicator.
 Pender County Schools would like for the Duplicators to be able to print but is not requiring it.
 Duplicators only need one cassette that is adjustable for Legal or letter.

Note 2: Please be advised, Pender County Schools will complete and open two additional schools Located on a Hampsetad K8 Campus. The Schools are projected to open Fiscal Year 27-28. The majority of Topsail Middle School's Staff and Equipment will transfer to this new Middle School while new equipment will be needed to serve the Elementary School.
