If Vendor is unable to replace the Software, Vendor shall refund the full amount of the Software purchase paid by the State.
 - ii) In addition to the warranty exclusions stated in Paragraph 5, Vendor does not warrant that the operation of the Software will be uninterrupted or error free, or that the Software functions will meet the State's requirements unless developed as Customized or Modified Software. The State assumes the risk of any damage or loss from its misuse or inability to use the Software.
 - iii) For any Customized or Modified Software provided pursuant to this Agreement, Vendor warrants that for a period of one (1) year after the State accepts said Software, it will operate and perform in accordance with the functions and specifications set forth in the solicitation and error free as the solution for the Agency. This express warranty applies only if the State specifically identifies the Hardware environment in which the Customized or Modified Software will be installed or operated, or if it is used in connection with Hardware acquired under this Agreement.
- c) Unless otherwise required by the State: Vendor warrants that its support and customer service and assistance will be performed in accordance with generally accepted industry standards. This warranty shall be valid for ninety (90) days from the date support is provided or performance of the service. - a) The Vendor, at its own expense, shall defend any action brought against the State to the extent that such action is based upon a claim that the Software or Products supplied by the Vendor, their use or operation infringes on a patent, copyright, trademark or violates a trade secret in the United States. The Vendor shall pay those costs and damages finally awarded or agreed in settlement against the State in any such action; damages shall be limited as provided in N.C.G.S. 143B-1350(h1). Such defense and payment shall be conditioned on the following:
 - i) That the Vendor shall be notified within a reasonable time in writing by the State of any such claim; and,
 - ii) That the Vendor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise provided, however, that the State shall have the option to participate in such action at its own expense.
- b) If any modifications to the Software applied by Vendor become the subject of a claim of infringement of a patent, copyright, Trademark or a trade secret in the United States, the Vendor, shall at its option and expense, either procure for the State the right to continue using the Software, or to replace or modify the same to become noninfringing. If neither of these options can reasonably be taken in Vendor's judgment, or if further use shall be prevented by injunction, the Vendor agrees to take back any affected Software modifications, and refund any sums the State has paid Vendor for Services and the State shall then have the option of terminating the Agreement, or applicable portions thereof, without penalty or termination charge.
- c) Vendor will not be required to defend or indemnify the State if any claim by a third party against the State for infringement or misappropriation results from the State's alteration of any Vendor-branded Software, or from the continued use of the good(s) or Services after receiving notice they infringe on an intellectual property right of a third party.

7) EXCLUSIVE REMEDIES AND LIMITATION OF LIABILITY

- a) For purposes of the exclusive remedies and limitations of liability set forth in this Paragraph, Vendor shall be deemed to include the Vendor and its employees, agents, representatives, subcontractors, and suppliers and damages shall be deemed to refer collectively to all injuries, damages, losses, liabilities, expenses or costs incurred.
- b) The Vendor's liability for damages to the State arising under the contract shall be limited to two times the value of the Contract.
- c) The foregoing limitation of liability shall not apply to claims covered by other specific provisions including but not limited to Service Level Agreement or Deliverable/Product Warranty compliance, or to claims for injury to persons or damage to tangible personal property caused by Vendor's gross negligence or willful or wanton conduct. This limitation of liability does not apply to contributions among joint tortfeasors under N.C.G.S. 1B-1 *et seq.*, the receipt of court costs or attorney's fees that might be awarded by a court in addition to damages after litigation based on this Contract. For avoidance of doubt, the Parties agree that the Service Level Agreement and Deliverable/Product Warranty Terms in the Contract are intended to provide the sole and exclusive remedies available to the State under the Contract for the Vendor's failure to comply with the requirements stated therein.
- d) For delays in the delivery or successful Product or Software installation, whichever is applicable, Vendor shall have no liability unless the delivery or successful installation date is delayed by more than thirty (30) days by causes not attributable either to the State or to Force Majeure conditions, in which case the State shall have the right, as its remedies:
 - i) To recover direct costs including replacement Products, if any, attributable to Vendor's delay, and
 - ii) To cancel the order without incurring cancellation charges.
 - iii) Vendor shall have no liability unless the default in delivery of Services is occasioned by causes not attributable either to the State or to Force Majeure conditions

- a) Except as specifically provided herein or in an approved attachment hereto, and unless otherwise consistently provided by Vendor's standard agreement for support, and except for the provisions

in the Vendor License Agreements paragraph above, an order for support will constitute the State's acceptance of the terms of the Vendor's standard agreement for Support in effect on the date of the order, subject to the order of precedence and the limitations in the Vendor's Standard Agreement(s) paragraph (above) as set forth in the Solicitation. Unless otherwise indicated herein, Support and Maintenance acquired herein will begin at the end of any applicable warranty period.

- b) To be eligible for support, Products or Software must be in good operating condition and at then current specified revision levels, having all enhancements, modifications, updates, or upgrades supplied by Vendor. Vendor may charge its standard rates in effect on the date support service is provided in addition to any other charges if the Product(s) or Software do not conform to the specified revision levels.

9) SOFTWARE RETIREMENT

- a) Unless otherwise provided in the Vendor's standard agreement, Vendor retains the right to retire a version of the Software and stop providing Maintenance, Updates or Services, upon providing one-hundred and eighty (180) days written notice to the State of its intent to do so. The decision to stop maintaining a version of the Software is the sole business discretion of Vendor and shall not be deemed a breach of contract. If Vendor retires the version of the Software provided to the State and if the State has paid all applicable annual Maintenance Fees subsequent to executing this Agreement, the State shall be entitled to receive, at no additional charge, a newer version of the Software m that supports substantially the same functionality as the licensed version of the Software. Newer versions of the Software containing substantially increased functionality will be made available to the State for an additional fee.
- b) Vendor may, at no additional charge, modify Software to improve operation and reliability or to meet legal requirements.
- c) Relocation of Software is the State's responsibility and may result in additional support charges and modified service response times. Software moved to another State facility or Agency may continue to be serviced subject to availability of a Vendor authorized support provider.
- d) Vendor is not required to provide support for non-qualified Software, nor Software not supplied under this Agreement. "Non-Qualified Software" is Software not supplied or approved by Vendor, and Software for which the State does not allow Vendor to incorporate modifications. Vendor agrees to use the lowest available airfare not requiring a weekend stay and to use the lowest available rate for rental vehicles. All Vendor incurred travel expenses shall be billed on a monthly basis, shall be supported by receipt and shall be paid by the State within thirty (30) days after invoice approval. Travel expenses exceeding the foregoing rates shall not be paid by the State. The State will reimburse travel allowances only for days on which the Vendor is required to be in North Carolina performing Services under this Agreement.

If the term of this Agreement extends into fiscal years subsequent to that in which it is approved such continuation of the Agreement *is expressly contingent upon* the appropriation, allocation, and availability of funds by the N.C. Legislature for the purposes set forth in the Agreement. If funds to effect payment are not available, the Agency will provide written notification to Vendor. If the Agreement is terminated under this paragraph, Vendor agrees to take back any affected Products and software not yet delivered under this Agreement, terminate any Services supplied to the Agency under this Agreement, and relieve the Agency of any further obligation thereof. The State shall remit payment for Products and Services accepted prior to the date of the aforesaid notice in conformance with the payment terms.
- 14) PAYMENT TERMS:** The total License Fee and the Support Service or Maintenance Fee (if applicable and provided the State subscribes or purchases such Services) for the first year shall be invoiced upon delivery of the Software. The Support Service or Maintenance Fee for subsequent contract years, if any, will be invoiced annually sixty (60) days prior to the anniversary date beginning each subsequent year. Increases in pricing for Support Services or Maintenance shall not exceed five percent (5%) per year following the first Contract year. Payment terms for software are Net 30 days after receipt of correct invoice or acceptance of software, whichever is later. No additional charges to the Agency will be permitted based upon, or arising from, the Agency's use of a Business Procurement Card.
- 15) ACCEPTANCE CRITERIA:** Acceptance testing is required for all Vendor supplied software unless provided otherwise in the solicitation documents or a Statement of Work. The State may define such processes and procedures as may be necessary or proper, in its opinion and discretion, to ensure compliance with the State's specifications and Vendor's technical representations. Acceptance of software or Services may be controlled by amendment hereto, or additional terms as agreed by the parties. In the event acceptance of Software or Services is not described in additional contract documents, the State shall have the obligation to notify Vendor, in writing and within ten (10) days following installation of any software deliverable described in the contract if it is not acceptable. The notice shall specify in reasonable detail the reason(s) a deliverable is unacceptable. Acceptance by the State shall not be unreasonably withheld; but may be conditioned or delayed as required for installation and/or testing of software.
- 16) CONFIDENTIALITY:** The State may maintain the confidentiality of certain types of information described in N.C.G.S. §132-1 et seq. Such information may include trade secrets defined by N.C.G.S. §66-152 and other information exempted from the Public Records Act pursuant to N.C.G.S. §132-1.2. Vendor may designate information, Products, software or appropriate portions of its response as confidential, consistent with and to the extent permitted under the Statutes and Rules set forth above, by marking the top and bottom of pages containing confidential information with a legend in boldface type "**CONFIDENTIAL.**" By so marking any page, the Vendor warrants that it has formed a good faith opinion, having received such necessary or proper review by counsel and other knowledgeable advisors that the portions marked confidential meet the requirements of the Rules and Statutes set forth above. ***However, under no circumstances shall price information be designated as confidential.*** The State agrees to promptly notify the Vendor in writing of any action seeking to

compel the disclosure of Vendor's confidential information. If an action is brought pursuant to N.C.G.S. §132-9 to compel the State to disclose information marked confidential, the Vendor agrees that it will intervene in the action through its counsel and participate in defending the State, including any public official(s) or public employee(s). The Vendor agrees that it shall hold the State and any official(s) and individual(s) harmless from any and all damages, costs, and attorneys' fees awarded against the State in the action. The State shall have the right, at its option and expense, to participate in the defense of the action through its counsel. The State shall have no liability to Vendor with respect to the disclosure of Vendor's confidential information ordered by a court of competent jurisdiction pursuant to N.C. G.S. §132-9 or other applicable law.

- 17) ACCESS TO PERSONS AND RECORDS:** Pursuant to N.C.G.S. §147-64.7, the Agency, the State Auditor, appropriate federal officials, and their respective authorized employees or agents are authorized to examine all books, records, and accounts of the Vendor insofar as they relate to transactions with any department, board, officer, commission, institution, or other agency of the State of North Carolina pursuant to the performance of this Agreement or to costs charged to this Agreement. The Vendor shall retain any such books, records, and accounts for a minimum of three (3) years after the completion of this Agreement. Additional audit or reporting requirements may be required by any Agency, if in the Agency's opinion, such requirement is imposed by federal or state law or regulation.
- 18) ASSIGNMENT:** Vendor may not assign this Agreement or its obligations hereunder except as permitted by 09 NCAC 06B.1003 and this Paragraph. Vendor shall provide reasonable notice of not less than thirty (30) days prior to any consolidation, acquisition, or merger. - 22) TAXES:** The State of North Carolina is exempt from Federal excise taxes and no payment will be made for any personal property taxes levied on the Vendor or for any taxes levied on employee wages. Vendor agrees and submits, solely for matters relating to this Agreement, to the jurisdiction of the courts of the State of North Carolina, and stipulates that Wake County shall be the proper venue for all matters.
 - b) Except to the extent the provisions of the Agreement are clearly inconsistent therewith, the applicable provisions of the Uniform Commercial Code as modified and adopted in North Carolina shall govern this Agreement. To the extent the Agreement entails both the supply of "goods" and "Services," such shall be deemed "goods" within the meaning of the Uniform Commercial Code, except when deeming such Services as "goods" would result in a clearly unreasonable interpretation.

24) DEFAULT: In the event Services or other Deliverable furnished or performed by the Vendor during performance of any Contract term fail to conform to any material requirement(s) of the Contract specifications, notice of the failure is provided by the State and if the failure is not cured within ten (10) days, the State may cancel the contract. Default may be cause for debarment as provided in 09 NCAC 06B.1206. The rights and remedies of the State provided above shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

- a) If Vendor fails to deliver or provide correct Services or other Deliverables within the time required by this Contract, the State shall provide written notice of said failure to Vendor, and by such notice require performance assurance measures pursuant to N.C.G.S. 143B-1340(f). Vendor is responsible for the delays resulting from its failure to deliver or provide services or other Deliverables.
- b) Should the State fail to perform any of its obligations upon which Vendor's performance is conditioned, Vendor shall not be in default for any delay, cost increase or other consequences due to the State's failure. Vendor will use reasonable efforts to mitigate delays, costs or expenses arising from assumptions in the Vendor's offer documents that prove erroneous or are otherwise invalid. Any deadline that is affected by any such failure in assumptions or performance by the State shall be extended by an amount of time reasonably necessary to compensate for the effect of such failure.

25) FORCE MAJEURE: Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations as a result of events beyond its reasonable control, including without limitation, fire, power failures, any act of war, hostile foreign action, nuclear explosion, riot, strikes or failures or refusals to perform under subcontracts, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.

The rights and remedies of the State provided above shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract. Vendor shall not be relieved of liability to the State for damages sustained by the State arising from Vendor's breach of this Contract; and the State may, in its discretion, withhold any payment due as a setoff until such time as the damages are finally determined or as agreed by the parties. Voluntary or involuntary Bankruptcy or receivership by Vendor shall be cause for termination.
 - ii) Termination For Convenience Without Cause: The State may terminate service and indefinite quantity contracts, in whole or in part by giving thirty (30) days prior notice in writing to the Vendor. Vendor shall be entitled to sums due as compensation for Deliverables provided and Services performed in conformance with the Contract. In the event the Contract is terminated for the convenience of the State the Agency will pay for all work performed and products delivered in conformance with the Contract up to the date of termination.

28) DISPUTE RESOLUTION: The parties agree that it is in their mutual interest to resolve disputes informally. A claim by the State shall be submitted in writing to the Vendor's Contract Administrator

for decision. The Parties shall negotiate in good faith and use all reasonable efforts to resolve such dispute(s). During the time the Parties are attempting to resolve any dispute, each shall proceed diligently to perform their respective duties and responsibilities under this Contract. If a dispute cannot be resolved between the Parties within thirty (30) days after delivery of notice, either Party may elect to exercise any other remedies available under this Contract, or at law. This term shall not constitute an agreement by either party to mediate or arbitrate any dispute.

- 29) SEVERABILITY:** In the event that a court of competent jurisdiction holds that a provision or requirement of this Agreement violates any applicable law, each such provision or requirement shall be enforced only to the extent it is not in violation of law or is not otherwise unenforceable and all other provisions and requirements of this Agreement shall remain in full force and effect. All promises, requirement, terms, conditions, provisions, representations, guarantees and warranties contained herein shall survive the expiration or termination date unless specifically provided otherwise herein, or unless superseded by applicable federal or State statute, including statutes of repose or limitation.
- 30) FEDERAL INTELLECTUAL PROPERTY BANKRUPTCY PROTECTION ACT:** The Parties agree that the Agency shall be entitled to all rights and benefits of the Federal Intellectual Property Bankruptcy Protection Act, Public Law 100-506, codified at 11 U.S.C. 365(n), and any amendments thereto.
- 31) ELECTRONIC PROCUREMENT: (Applies to all contracts that include E-Procurement and are identified as such in the body of the solicitation document):** Purchasing shall be conducted through the Statewide E-Procurement Service. The State's third party agent shall serve as the Supplier Manager for this E-Procurement Service. The Vendor shall register for the Statewide E-Procurement Service within two (2) business days of notification of award in order to receive an electronic purchase order resulting from award of this contract.
- a) **The successful vendor(s) shall pay a transaction fee of 1.75% (.0175) on the total dollar amount (excluding sales taxes) of each purchase order issued through the Statewide E-Procurement Service.** This applies to all purchase orders, regardless of the quantity or dollar amount of the purchase order. The transaction fee shall neither be charged to nor paid by the State, or by any State approved users of the contract. The transaction fee shall not be stated or included as a separate item in the proposed contract or invoice. There are no additional fees or charges to the Vendor for the Services rendered by the Supplier Manager under this contract. Vendor will receive a credit for transaction fees they paid for the purchase of any item(s) if an item(s) is returned through no fault of the Vendor. Transaction fees are non-refundable when an item is rejected and returned, or declined, due to the Vendor's failure to perform or comply with specifications or requirements of the contract.
 - b) Vendor, or its authorized Reseller, as applicable, will be invoiced monthly for the State's transaction fee by the Supplier Manager. The transaction fee shall be based on purchase orders issued for the prior month. Unless Supplier Manager receives written notice from the Vendor identifying with specificity any errors in an invoice within thirty (30) days of the receipt of invoice, such invoice shall be deemed to be correct and Vendor shall have waived its right to later dispute the accuracy and completeness of the invoice. Payment of the transaction fee by the Vendor is due to the account designated by the State within thirty (30) days after receipt of the correct invoice for the transaction fee, which includes payment of all portions of an invoice not in dispute. Within thirty (30) days of the receipt of invoice, Vendor may request in writing an extension of the invoice payment due date for that portion of the transaction fee invoice for which payment of the related goods by the governmental purchasing entity has not been received by the Vendor. If payment of the transaction fee invoice is not received by the State within this payment period, it shall be considered a material breach of contract. The Supplier Manager shall provide, whenever reasonably requested by the Vendor in writing (including electronic documents), supporting documentation from the E-Procurement Service that accounts for the amount of the invoice.
 - c) The Supplier Manager will capture the order from the State approved user, including the shipping and payment information, and submit the order in accordance with the E-Procurement Service. Subsequently, the Supplier Manager will send those orders to the appropriate Vendor on State Contract. The State or State approved user, not the Supplier Manager, shall be responsible for

the solicitation, offers received, evaluation of offers received, award of contract, and the payment for goods delivered.

- d) Vendor agrees at all times to maintain the confidentiality of its user name and password for the Statewide E-Procurement Services. If a Vendor is a corporation, partnership or other legal entity, then the Vendor may authorize its employees to use its password. Vendor shall be responsible for all activity and all charges for such employees. Vendor agrees not to permit a third party to use the Statewide E-Procurement Services through its account. If there is a breach of security through the Vendor's account, Vendor shall immediately change its password and notify the Supplier Manager of the security breach by e-mail. Vendor shall cooperate with the state and the Supplier Manager to mitigate and correct any security breach.
