METHOD OF AWARD

All qualified bids will be evaluated, and awards will be made to the Vendor(s) meeting the RFP requirements and achieving the highest and best final evaluation.

Vendors shall not be considered who are not approved or authorized by The State of North Carolina to do business with The State of North Carolina.

AWARD CRITERIA

As provided by statute, award will be based on the lowest and best bid (most advantageous to Wake County Public School System) as determined by consideration of:

- Prices offered.

- Conformity with specifications herein.
- Delivery and installation schedule.
- Location and availability of service and repair facilities and personnel.
- Suitability for Intended Use.
- References provided for proposed service(s).
- Demonstration of proposed services(s), if required.

It is not the policy of the WCPSS to purchase on the basis of low bid price alone. All bids are subject to evaluation and approval by the WCPSS. In evaluating the bids received and determining the best value, WCPSS may consider any combination of the following criteria:

1. the service price;
2. the reputation of the vendor and of the vendor's services;
3. the extent to which the services meet the needs of the WCPSS;
4. the vendor's location, service, and delivery capabilities;
5. the vendor's past performance with the WCPSS;

6. the warranties offered and the bidder's warranty service history;
7. the probability of continuous availability of the services offered;
8. the impact on the ability of the WCPSS to comply with any applicable laws or rules;
9. the total long-term cost to the WCPSS to acquire the vendor's services;
10. any other relevant factor that a public or private entity could consider in selecting a vendor.

It is understood that the WCPSS may use all means at their collective disposal to evaluate the bids received on these criteria, and the final decision as to the best overall offer, both as to price and to suitability of the services offered to fit the needs of the WCPSS, will solely rest on the Child Nutrition Senior Director and /or the WCPSS CNS.

AWARD OF CONTRACT

It is the general intent to award this contract to a single overall bidder. The right is reserved, however, to make awards to multiple bidders, if such shall be considered by Wake County Public School System to be most advantageous or to constitute its best interest.

The successful bidder(s) will be notified by "Notice(s) of Award" issued by the WCPSS Purchasing Department. Bid audits may be conducted as a means of determining and/or verifying the cost quoted by the Vendor.

Withdrawal of any bid allowed by the WCPSS will require the completion and signature of a written receipt by the bidder’s representative satisfactory to the WCPSS Administrator before the bid will be released. VALUE ADDED

Value added options and services including, but not limited to, product merchandisers and other purchasing incentives will not be considered as a factor in evaluating the award of this Bid.

EQUAL EMPLOYMENT OPPORTUNITY (EEO) DISCLOSURES

By submission of a bid, the bidder agrees that in the performance of any contract resulting from any award under this bid, the bidding entity will comply with all applicable equal employment opportunity laws and regulations, including, but not limited to, an agreement not to deny any benefit to, exclude from any opportunity, or discriminate in any way against, any applicant, employee, or any other person because of age, color, creed, gender, handicapping condition, marital status, national origin, political affiliation or belief, race, religion, or veteran status.

The Bidder shall comply with Executive Order 11246, entitled Equal Employment Opportunity, as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations, 41 CFR Part 60.

The occurrence of any prohibited discrimination will constitute vendor’s breach of contract due to a substantial failure by the vendor to fulfill its obligations, whereupon the WCPSS may terminate the vendor’s contract for cause as provided by section #32 of this General Terms and Conditions document entitled “Remedies for Non-Performance of Contract, and Contract Termination.”

FORCE MAJEURE

The term Force Majeure shall include, but is not limited to, governmental restraints or decrees, provided they affect all companies in the vendor’s industry equally and are not actions taken solely against the vendor; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The parties to this contract will be required to use due caution and preventative measures to protect against the effects of Force Majeure, and the burden of proving that Force Majeure has occurred shall rest on the party seeking relief under this section. The party seeking relief due to Force Majeure will be required to promptly notify the other party in writing, citing the details of the Force Majeure event, and will be required to use due diligence to overcome obstacles to performance created by the Force Majeure event, and shall resume performance immediately after the obstacles have been removed, provided the contract has not been terminated in the interim.

Delay or failure of performance, by either party to this contract, caused solely by the Force Majeure event shall be executed for the period of delay caused solely by the Force Majeure event, provided the affected party has promptly notified the other party in writing. Neither party shall have any claim for damages against the other resulting from delays caused solely by Force Majeure.

WCPSS will be responsible for any costs incurred by the vendor because of the Force Majeure event unless the WCPSS has requested, in writing, that the vendor incur such costs in connection with any delay or work stoppage caused by the Force Majeure event, and the WCPSS has agreed in such writing to incur such additional costs.

Notwithstanding any other provision of this section, in the event the vendor's performance of its obligations under this contract is delayed or stopped by a Force Majeure event, the WCPSS shall have the option to terminate this contract in accordance with section #32 of this General Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination." Furthermore, this section shall not be interpreted as to limit or otherwise modify any of the WCPSS's rights as provided elsewhere in this contract.

THE BUY AMERICAN PROVISION

Section 104(d) of the William F. Goodling Reauthorization Act of 1998 requires schools participating in the NSLP and the SBP in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or products for use in meals served under the programs.

The legislation defines "domestic commodity or product" as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States. The report accompanying the legislation stipulated that "substantially" means over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Exceptions to the "Buy American" requirement are allowed when: (1) the recipients have unusual or ethnic food preferences that can only be met through purchases of products not produced in the United States; (2) products are not produced or manufactured in the United States in sufficient and reasonably available quantities of a satisfactory quality; or (3) the cost of the domestic-produced food product is significantly higher than that of the foreign product. It is imperative that WCPSS comply with the "Buy American" requirement by purchasing food products produced in the U.S. for its food programs. The Nutrition Labeling and Education Act of 1990 mandates that the country of origin for both domestic and imported food products be identified on the product labels.

Each permitted imported product other than pineapple, mandarin oranges, coffee, olives, and tuna must be pre-approved by the WCPSS.

If any delay or failure of performance is caused by a Force Majeure event as described above in the General Terms and Conditions entitled "Force Majeure," the WCPSS may, in its sole discretion, terminate this contract in whole or part, provided such termination follows the remaining requirements of this section.

Except as otherwise provided for within the General Terms and Conditions of this document, this contract may be terminated in whole or in part by either party in the event of substantial failure by the other party to fulfill its obligations under this contract through no fault of the terminating party; provided that no such termination may be implemented unless and until the other party is given (1) at least ten (10) days written notice (delivered by certified mail, return receipt requested) of intent to terminate, and (2) an opportunity for consultation with the terminating party, followed by a reasonable opportunity, of not more than ten (10) working days, to rectify the defects in products or performance, prior to termination.

In the event the WCPSS elects to purchase other products from other sources, the WCPSS will invoice the vendor for any increased costs to the WCPSS, and the vendor agrees, by submission of a bid response, to promptly pay any such charges invoiced.

In the event the WCPSS terminates this contract, in whole or in part, for any reason provided for within the contract, the WCPSS reserves the right to award the cancelled contract, or any portion thereof, to the next lowest or best bidder as it deems such award to be in the best interest of the Wake County Public Schools.

ASSIGNMENT – DELEGATION

Any attempted assignment or delegation by the vendor shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

ETHICS AND THE PURCHASING FUNCTION Policy Code: 6401/9100

The Wake County Board of Education is committed to conducting the purchasing function in an ethical manner and in compliance with state and federal laws and regulations. The Board expects all employees who are directly or indirectly involved in any aspect of the purchasing function to be aware of and comply with all current state and federal laws and regulations as these standards apply to the school system's purchasing activities. The Board's purchasing goals and principles will not be compromised by individuals motivated by personal gain.

Employees directly or indirectly involved in any aspect of the school system's procurement, purchasing, and/or contracting process for apparatus, materials, equipment, supplies, services, real property, or construction or repair projects, regardless of source of funds, must adhere to the following standards of conduct and those established in any policies regarding employee conflict of interest and 8305: Federal Grant Administration.

1. Employees are expected to make all purchasing-related decisions in a neutral and objective way based on what is in the best interest of the school system and not in consideration of actual or potential personal benefit.

2. Employees shall not participate, directly or indirectly, in making or administering any contract from which they will obtain a direct benefit, unless an exception is allowed pursuant to law.

An employee obtains a direct benefit when the employee or his or her spouse will receive income, commission, or property under the contract, or the employee or spouse has more than a 10 percent interest in an entity that is a party to the contract. See G.S. 14-234 and any policies regarding employee conflict of interest.

Participation in making or administering a contract includes, but is not limited to, participating in the development of specifications or contract terms; obtaining or reviewing bids; preparation or award of the contract; and having the authority to make decisions about, interpret, or oversee the contract.

3. Employees shall not participate, directly or indirectly, in the selection, award, or administration of a contract supported in whole or part by a federal grant or award if the employee has a real or apparent conflict of interest. See 2 C.F.R. 200.318 and policy 8305: Federal Grant Administration.

A real or apparent conflict exists when the employee, his or her immediate family member or partner, or an organization which employs or is about to employ any of those individuals, has a financial or other interest in or receives a tangible personal benefit from a firm considered for a contract. For purposes of this subsection, a "financial interest" means a financial interest which comprises more than five percent of the equity of the firm or business or more than five percent of the assets of the economic interest in indebtedness. It does not include an ownership interest held through a fiduciary, such as *Policy Code: 6401/9100*, a mutual fund or blind trust, where the individual or individual's employer has no control over the selection of holdings.

4. Employees shall not influence or attempt to influence any person involved in making or administering a contract from which the employee will obtain a direct benefit as described in paragraph 2, above.

5. Employees shall not solicit or receive any gift, favor, reward, service, or promise of reward, including a promise of future employment, in exchange for recommending, influencing, or attempting to influence the award of a contract by the school system.

6. Employees shall notify the superintendent or designee in writing if they have an actual or potential conflict of interest under this policy or applicable state or federal law that would disqualify them from performing any aspect of their job responsibilities.

7. Employees shall not solicit or accept trips, meals, gratuities, gifts, favors, or anything of monetary value from current or recent (within the past year) contractors, subcontractors, or suppliers, or any persons or entities that foreseeably may bid on a contract in the future, unless the item is an unsolicited gift of nominal value (\$50 or less), and is one of the following: an advertising item or souvenir that is widely distributed; an honorarium for participating in a meeting; a meal provided at a banquet; or other item that is clearly permitted by state and federal law. Multiple permitted items from a single contractor may not exceed an aggregate value of \$100 in a twelve-month period.

Employees shall inform existing and potential contractors, subcontractors, and suppliers about these restrictions.

8. Employees shall not solicit or accept any gift from a current or potential provider of E-rate services or products in violation of applicable federal E-rate program gifting rules.

9. Employees shall not divulge confidential information to any unauthorized person. Confidential information includes but is not limited to (1) the school system's cost estimate for any public contract, prior to bidding or completion of other competitive purchasing processes; and (2) the identity of contractors who have obtained proposals for bid purposes for a public contract, until the bids are opened in public and recorded in the Board minutes.

10. An employee shall not misuse information in violation of G.S. 14-234.1. Specifically, an employee shall not, in contemplation of the employee's own official action or that of the Board or others acting on behalf of the school system, or in reliance on information known to the employee in his or her official capacity and not made public, to: a. acquire a financial interest in any property, transaction, or enterprise; b. gain a financial benefit that may be affected by the information or contemplated action; or c. intentionally aid another to

acquire a financial interest or gain a financial benefit from the information or contemplated action.

The superintendent or designee shall ensure that all affected personnel are aware of Board policy requirements and applicable laws. Any individual aware of any violation of this policy, policy 2121: Board Member Conflict of Interest, any policies regarding employee conflict of interest, the conflict-of-interest provisions of policy 8305: Federal Grant Administration, or applicable conflict of interest laws shall report such violation in accordance with policy 1760/7280: Prohibition Against Retaliation. Employees who violate this policy, policy 2121, any policies regarding employee conflict of interest, or the conflict-of-interest provisions of policy 8305, will be subject to disciplinary action.

Gift Prohibition. Provider acknowledges that it is subject to N.C.G.S. §§ 14-234 and 133-32, which prohibit contractors from providing items of value to school system officials and employees under various circumstances. N.C.G.S. § 14-234, in pertinent part, prohibits contractors from providing to specific school system officers/employees a gift, favor, reward, service, or promise of reward in exchange for recommending influencing or attempting to influence the award of a contract. N.C.G.S. § 133-32, in pertinent part, bars provision of gifts or favors to specific school system officers/employees by a contractor who has a contract, has performed under a contract in the last year, or anticipates bidding on a contract in the future. Provider covenants that no director, employee or agent of Provider, or any other person connected with Provider, has made, offered or given, either directly or indirectly, to any School System Board member, employee, or agent, or to any person connected with the School System, any gift, favor, or item of value in violation of either N.C.G.S. §§ 14-234 or 133-32. Provider agrees that a breach of this provision as identified by the school system may result in the School System's termination of this Contract without liability and/or at the School System's discretion, the recovery of any and all funds paid to Provider pursuant to this Contract. Provider further agrees that to the extent there exists any doubt as to whether its actions have violated, or could violate, this provision, Provider will promptly notify the school system so it can make a determination as to the propriety of the Provider's past or proposed future conduct.

No employee shall approve any contract with or purchase any goods or services from any immediate family member without disclosure to and approval of the Chief Business Officer. When federal funds are expended by **Wake County Board of Education (the School System)**, the School System reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

The School System also reserves the right to terminate the contract immediately, with written notice to Contractor, for convenience, if the School System believes, in its sole discretion, that it is in the best interest of the School System to do so. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. NORTH CAROLINA
DEPARTMENT OF STATE TREASURER

STATE AND LOCAL GOVERNMENT FINANCE DIVISION AND THE LOCAL GOVERNMENT COMMISSION

JANET COWELL
TREASURER

GREGORY C. GASKINS
DEPUTY TREASURER

Memorandum # 2016-10

TO: All Local Governments, Public Authorities and Their Independent Auditors
FROM: Sharon Edmundson, Director, Fiscal Management Section
SUBJECT: Iran Divestment Act Notice for Local Governments in North Carolina
DATE: February 17, 2016

The North Carolina Department of State Treasurer is providing this letter to Local Government Units to explain new contracting and procurement compliance obligations created by the [Iran Divestment Act of 2015](#) (N.C.G.S. 143C-6A-1 to 6A-9).^{*} Local Government Units should be aware that effective February 26, 2016, this law imposes new obligations on each new bid process, each new contract, and each renewal or assignment of an existing contract. The specific requirements are as follows:

- 1. Local Government Units must obtain a one-page mandatory certification under the Act.** (See sample "Contract Certification" form below for details.)
- 2. Local Government Units may not enter into contracts with any entity or individual found on the State Treasurer's Iran Final Divestment List.** This list will be posted on the Department of State Treasurer's website on February 26, 2016 and will be updated every 180 days. (See "Contract Restrictions" below for details.)

Background

The Iran Divestment Act's requirements applicable to Local Government Units^{**} will become effective on February 26, 2016, at the time the State Treasurer publishes the first list of prohibited companies and individuals (a "Final Divestment List") under the Act.

^{*} The Iran Divestment Act of 2015 can be found online at:
<http://www.ncleg.net/Sessions/2015/Bills/Senate/PDF/S455v5.pdf>

^{**} The Act's requirements use the term "State agency." G.S. 143C-6A-3(7) provides that in the act, the term "State agency" includes not only State departments, boards, and commissions, but also "any political subdivision of the State" such as a Local Government Unit.

Final Divestment List

The Department of State Treasurer develops the Final Divestment List using data from a research vendor, U.S. federal sanctions list, and other credible information available to the public. It consists of any individual or company, including parent entities and majority owned subsidiaries, that:

- Provided goods or services of \$20,000,000 or more within any 12-month period in the energy sector of Iran during the preceding five years.
- Extended \$20,000,000 or more in credit, under certain circumstances, to another individual or company that will use the credit to provide goods or services in the energy sector in Iran. (G.S. 143C-6A-3(4).)

The Department of State Treasurer will update the Final Divestment List at least every 180 days. The list will be published on the State Treasurer’s website at www.nctreasurer.com/iran and periodically circulated to Local Government Units.

Requirement 1: Contract Certification

For new procurements and new, renewed, or assigned contracts on or after February 26, 2016, each Local Government Unit must obtain a simple certification from each bidder or vendor. The bidder or vendor must affirm that it is not listed on the State Treasurer’s Final Divestment List found at www.nctreasurer.com/iran as of the date of signature. The certification is due at the time a bid is submitted or the time a contract is entered into, renewed, or assigned. (G.S. 143C-6A- 5(a).)

We have attached on the next page a short form that can be used for this certification, but Local Government Units are free to instead use their own form or put the required certification in the text of a contract or purchase order. Each Local Government Unit shall maintain its own records demonstrating these certifications.

Requirement 2: Restriction on Contracting

Individuals or companies on the Final Divestment List are ineligible to contract or subcontract with Local Government Units. (G.S. 143C-6A-6(a).) Any existing contracts with these Iran-linked persons will be allowed to expire in accordance with the contract’s terms. (G.S. 143C-6A-6(c).)

Contracts valued at less than \$1,000.00 are exempt from this restriction. (G.S. 143C-6A-7(a).) In addition, a Local Government Unit may contract with a listed individual or company if it makes a good-faith determination that (1) the commodities or services are necessary to perform its functions and (2) that, absent such an exemption, it would be unable to obtain those commodities or services. (G.S. 143C-6A-7(c).) Local Government Units shall enter such exemptions into the procurement record.

The Act provides that vendors to Local Government Units may not utilize any subcontractor found on the State Treasurer’s Final Divestment List. (N.C.G.S. 143C-6A-5(b).) It is each vendor’s responsibility to monitor its compliance with this restriction.

Next Steps

The Department of State Treasurer anticipates distributing the first Final Divestment List on February 26, 2016. Once the List has been distributed, all Local Government Units should meet the contract certification requirements.
