In conjunction with NASPO ValuePoint, the State of North Carolina is providing the following information for the solicitation opportunity:

NASPO ValuePoint Project Title: RFP# 23420 Business Consulting Services

The NASPO ValuePoint Request for Proposal (RFP) for Business Consulting Services was released by the State of New York (Lead State) on April 16, 2026. The RFP number is 23420. All vendor proposals must be submitted by 1:30 PM EST on June 3, 2026.

The purpose of this Request for Proposal (RFP) is to establish Master Agreements with qualified bidders, to provide Business Consulting Services for all Participating States. The objective of this RFP is to obtain best value, and in some cases achieve more favorable pricing, than is obtainable by an individual state or local government entity because of the collective volume of potential purchases by numerous state and local government entities.

The Master Agreement(s) resulting from this procurement may be used by state governments (including departments, agencies, institutions), institutions of higher education, political subdivisions (i.e., colleges, school districts, counties, cities, etc.), the District of Columbia, territories of the United States, and other eligible entities subject to approval of the individual chief procurement official and compliance with local statutory and regulatory provisions.

The solicitation is available on the State of New York's procurement system website using the following link: ogs.ny.gov/procurement/bid-opportunities or the NASPO ValuePoint website at: <https://www.naspovaluepoint.org/solicitation-information/>

Only proposals submitted through the Lead State's Procurement Portal will be considered. Proposals must be submitted by **1:30 PM EST on June 3, 2026**. Late proposals will not be considered.

This posting is **NOT** a State of North Carolina solicitation request but is provided as a courtesy notification to North Carolina eVP registered Vendors.
