

Department/Agency	NC Department of Health and Human Services – Murdoch Developmental Center (Butner, NC)
Project Title	Fire Alarm & Sprinkler Upgrades - Phase 2
Design Services	Engineering/Architecture
Scope of Work	This project is for upgrading the Fire Alarm in the Staff Development Building and the Quality Improvement Building and installing sprinkler systems in the Warehouse, PTOT, Administration, Mechanical Welding Shop, Pharmacy, and Paint Shop. These fire alarm replacements are recommended by the Department of Insurance in order to maintain safe and reliable fire alarm systems. Many of these buildings have resident activities such that these upgrades are critical for protection of residents in the event of a fire.
Contact	For site visits (by appointment only): contact Michael Snyder For project questions: contact William Stevens

NC Licensing Statement	In order to offer architectural, engineering, or landscape architectural services in response to this solicitation, the proposing firm must be properly licensed to practice Architecture, Engineering, or Landscape Architecture in the State of North Carolina. More information on the North Carolina state boards may be found at the following websites: NC Board of Architecture: (http://www.ncbarch.org) NC Board of Examiners for Engineers & Surveyors: (http://www.ncbels.org) NC Board of Landscape Architects: (http://www.ncbola.org)

STATE BUILDING COMMISSION - SELECTING CRITERIA

In selecting designers, the selection committee should take into consideration qualification information including such factors as:

1. Specialized or appropriate expertise in the type of project.
2. Past performance on similar projects.
3. Adequate staff and proposed design or consultant team for the project.
4. Current workload and State projects awarded.
5. Proposed design approach for the project including design team and consultants.
6. Recent experience with project costs and schedules.
7. Construction administration capabilities.
8. Proximity to and familiarity with the area where the project is located.
9. Record of successfully completed projects without major legal or technical problems.
10. Other factors which may be appropriate for the project.

STATE BUILDING COMMISSION - SUBMITTAL CRITERIA

Proposing firms must submit THREE (3) copies of the Letter of Interest and THREE (3) copies of your current Standard Form 254 (SF 254) with the information package. The current SF 254 template is located at <http://ncadmin.nc.gov/businesses/construction/forms-documents> which is the State Building Commission approved form.

In the interest of cost-savings to the designers, consistency of the submittals and more efficient use of time by the pre-selection committee, the submitted information package should not include any notebooks, binders, tab, clips, etc. The format should be 8-1/2" x 11" pages stapled in the upper left-hand corner. The Letter of Interest should not exceed ten (10) single-sided pages or five (5) double-sided pages plus the SF 254.

Fax submittals will not be accepted.
