CONTRACTORS INSURANCE:

Providing and maintaining adequate insurance coverage is a material obligation of the CONTRACTOR and is of the essence of this contract. All such insurance shall meet all laws of the County of Cumberland, North Carolina. Such insurance coverage shall be obtained from companies that are authorized to provide such coverage and that are authorized by the Commissioner of Insurance to do business in North Carolina. The CONTRACTOR shall at all times comply with the terms of such insurance policies, and all requirements of the insurer under any such insurance policies, except as they may conflict with existing North Carolina laws or this contract. The limits of coverage under each insurance policy maintained by the CONTRACTOR shall not be interpreted as limiting the CONTRACTOR'S liability and obligations under the contract. During the term of the contract, the CONTRACTOR at its sole cost and expense shall provide commercial insurance of such type and with such terms and limits as may be reasonable associated with the contract.

PERMITS AND LICENSES:

The Contractor shall procure and pay all charges and fees for all permits and licenses incidental to the due and lawful prosecution of the work.

CONSTRUCTION TRASH & DEBRIS REMOVAL:

During construction of the Project, the Contractor shall be responsible for the removal of any trash or debris created by his work to an approved disposal site. The site will be maintained in a clean condition at all times. Trash and debris from daily operations are to be stored in appropriate storage containers or trucks until removal to the disposal facility.

WARRANTY

The CONTRACTOR shall provide a minimum of a **12-month warranty** on all materials and workmanship beginning on the date of project completion.

SUMMARY OF WORK

- Contractor to provide all labor and materials to remove approximately 21,000 square feet of asphalt as outlined in “**Attachment A**”, repair the base as needed, regrade and install new asphalt to meet current industry standards.
- Contractor to remove and dispose of all waste material off site at Contractor’s expense.
- Any damage to existing landscaping, curbing, or adjacent properties done during the course of work should be repaired to preexisting condition at Contractor’s expense.
- Specifications for new surface:
 - Base:
 - Base layer should be repaired with matching aggregate to fill in any voids to eliminate ponding and allow for smooth transition to existing curbing, sidewalks, and adjoining asphalt.
 - Base layer to be graded evenly and compacted to 100%.
 - Base course should be maintained as uniform surface until placement of new asphalt surface is complete.
 - Asphalt surfacing:
 - Install a minimum of two inches of new asphalt.
 - New asphalt to be installed to allow for smooth transitions from parking lot to sidewalk for ADA access.
 - Striping:
 - Contractor to submit layout of new parking stalls for approval by County.
 - All parking stalls to be a minimum of 8’ wide with 4” stripes.
 - New layout to meet minimum ADA standards for accessibility based on parking lot size.
- All work to be completed prior to **January 1, 2024** and within 15 days of project start date.
- Contractor to provide temporary protection to adjacent areas if necessary to prevent contamination by construction operations to stormwater system and adjacent properties.
- Contractor to furnish all crane, rigging, and trucking as needed for this project and shall be responsible for any and all damage to equipment or property done during transportation, installation, and prior to turnover to Cumberland County.
- Contractor to provide copies of all permits required to complete work to owner upon request. No work shall commence until all appropriate permits have been issued.
- Project will not be deemed complete until Contractor has passed all required inspections, and all work has been completed and confirmed by County to meet requirements. Payment will not be issued until project is deemed complete by County.
