Westbrook Lift Station Bar Screen Installation Project

Informal Bids will be received electronically at <http://www.bidnetdirect.com/cityofgoldsboro> in the project link, until 2:00 p.m. EST, July 9, 2026 for work that consists of installation of the new Parkson Corporation Model AG-MN-A 75, 4' x 28' Aquascreen provided by the owner, using the existing controls and power supply equipment currently on site at the City Westbrook Lift Station. It is the Vendors responsibility to submit their proposal before the deadline.

A pre-bid meeting and site tour is scheduled for 10:00am, Tuesday, June 16, 2026, at 350 Westbrook Road, Goldsboro, NC 27530. Contractors with an interest in this project are encouraged to attend. The scope of work is available in the project link on the website.

Contractors must be licensed under the prevailing State Laws governing their trade.

The right is reserved to hold bids for ninety (60) days, reject bids, add, or delete work, waive informalities, and award a contract the City determines is in its best interest.

The City has an affirmative policy of fostering, promoting, and conducting business with women and minority owned enterprises and encourages their participation.

This, the 3rd day of June 2026.
