

## ADDENDUM 1 May 14, 2024

### General:

1. This Addendum shall supplement, amend, and become a part of the Bid Documents. All Bids and the Construction Contract shall be based on these modifications.
2. Bidders shall acknowledge the receipt of this Addendum on their Form of Proposal.
3. This addendum is being issued to provide clarifications, additional information, and responses to contractor questions.
4. All other terms and conditions remain unchanged.

### Responses to Questions / Comments:

1. The concrete track panel manufacturer no longer makes the 17.5' panels, they only manufacture 7.5' or 8' panels.  

As noted on the plans, the panel length can vary, as well as the manufacturer. The design is based off of the Startrack II – 17'-6" Concrete crossing but the Port will accept an approved equal.
2. The drawings show to Thermite weld the rails in the crossing. The thermite weld has a "collar" all the way around the web and under base of the rails. Removal of that collar by grinding down to parent metal is not recommended by the kit manufacture. Leaving the collar will not work with the minimal space between base of rail and concrete surface where there is only 3/8" space. Leaving the collar also affects the installation of the rubber seal. Is Flashbutt welding acceptable?  

Yes, Flashbutt welding is acceptable.
3. Is there any additional drainage required?  

Follow manufacturers recommendations for drainage.
4. Some of the installation methods show a flowable fill under the panels, can we adjust the material types used under the concrete panels?  

Bidders are encouraged to bid what is shown on the drawings. However, some adjustments may be allowable, if in accordance with manufacturers' recommendations. All material being used for construction is to be submitted for approval prior to release for fabrication.

5. Pre-Bid and Bid-Opening dates have been revised. See below. Location and time remain the same.

Pre-Bid – 05/30/2024

Bid Opening -06/13/2024

Contractor is to acknowledge receipt of Addendum 1 with bid.
