

Construction Solicitations to Prequalify Contractors

Full Details

Institution	NC State University
Institution URL for Additional Information about this Project (Optional)	https://facilities.ofa.ncsu.edu/2023/10/request-for-electrical-contractor-prequalifications-metcalf-residence-hall-fire-alarm-system-replacement/
Project Name	Metcalf Residence Hall Fire Alarm System Replacement
Prequalifying for	North Carolina State University is seeking qualification statements from electrical contractors for the Metcalf Residence Hall Fire Alarm System Replacement. The project scope includes the installation of a new addressable fire alarm and voice evacuation system for this twelve-story, 72,911 sf building. The existing fire alarm system will remain in service until the new system is installed, tested, and accepted, and then it will be removed. Construction is expected to occur during the Summer of 2024, while the building is unoccupied.
	Bid date extended to 10/27/23.
