Page 6 – “Vendor should submit a proposal on their own form for an overall cost to support the: Development of a district-wide growth model to be used by the Academic Advancement Department.”	Can you provide more details around the growth model? Would the growth model be considered the mechanism for growing college and career readiness in the district?	Growth model aligned with project objectives and scope of work
Page 6 – “Support the 4 district regional teams in the implementation of growth model and regional model. Each regional team has a Senior Director, Director, Senior Administrator and 10-12 coordinating teachers.”	How many schools does the district want to support? Would it be the same in each year or would it have a rate of growth the district is prescribing? How many educators (teachers and administrators) would the district want to train?	<p>Year one: 10-15 schools</p> <p>Rate of growth 0-5 year</p> <p>Depends on number of educators at those schools; could range from 50-100+ at each</p>

Page 6 – “In addition, vendor shall provide a detailed cost sheet to outline professional services for possible additional future school assessments for a period of two years from reward.”	In what context is assessment being used here?	Possible continuation into future school year based on assessment of work in current
Page 3 – “Mail only one fully executed proposal with copies...”	Is hand delivery accepted, or does it have to be mailed? If hand delivery is acceptable, is it the same address listed in the document?	Hand-delivery is acceptable.
Page 7 – “Signed, original execution page”	Will the district accept a digital signature from DocuSign as an original executed document?	Original signatures are preferred, but not required.
