

DATE: Friday January 11, 2024
TO: Prospective Bidder
CC: David Spencer, P.E., Transportation Engineering Supervisor
FROM: Adam Pilarz, P.E., PTOE, Project Manager - Traffic
SUBJECT: INVITATION TO BID: ST3603: FY23 TRAFFIC CALMING – GLENKIRK, PRESTON VILLAGE, WHITFORD PLACE

Cary is hereby requesting proposals for the construction of FY23 Traffic Calming – Glenkirk, Preston Village, Whitford Place, project number ST3603. **This request is for informal bids** in accordance with G.S. 143-131. The project is further described as follows and on the attached documents.

PROJECT LOCATION: Multiple locations as listed here:

- Glenkirk Community: Olde Weatherstone Way from NW Cary Parkway to Crigan Bluff Drive
- Preston Village Community: Preston Village Way from Morrisville Parkway to Circle on the Green
- Whitford Place Community: Weycroft Avenue east of Green Level Church Road

PROJECT DESCRIPTION: Construct traffic calming as shown on the construction drawings, inclusive of five (5) flat-top speed humps, three (3) bi-directional pairs of offset speed humps, and associated pavement striping and signage. All improvements shall be constructed in accordance with Cary Standard Specifications and Details. The successful bidder will be required to:

- Prepare and implement a traffic control plan
- Perform surface preparation, including milling of existing pavement
- Lay out and construct pavement undulations in accordance with the Cary Standard Details
- Install post-mounted traffic signage and pavement markings in accordance with the Manual on Uniform Traffic Control Devices (MUTCD)

This project will be executed in accordance with the terms and conditions and using the Cary small construction agreement, which is attached for reference.

PROJECT SCHEDULE: This project is estimated to last no more than 60 working days and is expected to be completed in Spring 2024.

ATTACHMENTS: (accessible here - <https://townofcary.geocivix.com/secure/project/?projectid=1219851>)

- Sealed construction drawings
- Sample construction agreement
- Technical specifications
- Bid form

The informal bid period ends **Thursday February 8, 2024 at 4pm**. Bids must be itemized according to the bid form provided and must represent the full and complete cost for the work described on the attachments. Bids shall be submitted via email to the address below. Contractors offering a proposal must be licensed to do the specified type of contracting in the State of North Carolina. Cary reserves the right to reject any or all proposals.

Direct all bid correspondence to Adam Pilarz, Project Manager – Traffic at adam.pilarz@carync.gov.
