<b>Project Title</b>	<b>Science Building Renovations</b>
<b>Design Services</b>	<b>Architectural</b>
<b>Scope of Work</b>	Design services for advanced planning to help determine the scope of renovations and identify a project budget for the Science building. The Science building is a one-story, 37,182 square foot facility that houses math and science programs, as well as the Cosmetology program. The building has undergone several small renovations through the years. Building renovations may need to be broken up into phases to complete the project. Design proposals should include a listing of potential subconsultants (mechanical, plumbing, electrical) that may be included in this project.

### **STATE BUILDING COMMISSION - SELECTING CRITERIA**

In selecting designers, the selection committee should take into consideration qualification information including such factors as:

1. Specialized or appropriate expertise in the type of project.
2. Past performance on similar projects.
3. Adequate staff and proposed design or consultant team for the project.
4. Current workload and State projects awarded.
5. Proposed design approach for the project including design team and consultants.
6. Recent experience with project costs and schedules.
7. Construction administration capabilities.
8. Proximity to and familiarity with the area where the project is located.
9. Record of successfully completed projects without major legal or technical problems.
10. Other factors which may be appropriate for the project.

### **STATE BUILDING COMMISSION - SUBMITTAL CRITERIA**

Proposing firms must submit THREE (3) copies of the Letter of Interest and THREE (3) copies of your current Standard Form 254 (SF 254) with the information package. The current SF 254 template is located at <http://ncadmin.nc.gov/businesses/construction/forms-documents> which is the State Building Commission approved form.

In the interest of cost-savings to the designers, consistency of the submittals and more efficient use of time by the pre-selection committee, the submitted information package should not include any notebooks, binders, tab, clips, etc. The format should be 8-1/2" x 11" pages stapled in the upper left-hand corner. The Letter of Interest should not exceed ten (10) single-sided pages or five (5) double-sided pages plus the SF 254.

E-mail and Fax submittals will not be accepted.
