No.	Reference	Question	Central Piedmont Response
1	<b>3.5. SECURITY SPECIFICATIONS</b> <b>3.6. ARCHITECTURE DIAGRAMS</b>	Bid is asking to provide Security Specifications, Architectural Diagrams...along with response. Please let me know if this information is needed mandatorily during bid-response as we are just selling the required on-premise products.	Since the college is already utilizing the products in our on-premise environment, the following sections are amended to indicate that the college will not require this information to be included with a vendor's offer submission, however the college reserves the right to request this this information, from a responding vendor, if the college determines it is needed.  3.5 Security Specifications 3.6 Architecture Diagrams
