

ATTACHMENT H: SUSTAINABILITY EFFORTS

Solicitation #: DPC-1428364267-BP

Vendor Name: _____

Instructions: Pursuant to solicitation, Section 4.24 Vendors shall provide information describing how environmental requirements relate to clear labeling of the environmental/sustainability attributes (e.g. *environmental certifications, total and post-consumer recycled content, etc.*) of products in the proposed product catalogs, demonstrating the ability to run usage reports that include information about each product’s environmental/sustainability attributes, emissions and recycling of spent products.

What are your product's sustainability attributes?
What Literature is available that discusses the attributes?
What are the recycling features of products? (i.e. recycled content, materials that can be recycled, etc.)
What sustainability features are available for reporting?

Describe and provide examples of sustainability efforts in the manufacturing process.
