(Institution Name)
(Bid Date)
(Contractor)
(License Number)

BID EVALUATION

The award of the contract will be made to the lowest responsible bidder as soon as practical.

Before awarding a contract, the owner may require the apparent low bidder to qualify himself to be a responsible bidder by furnishing any or all of the following data:

1. A listing of completed projects of similar size.
2. Permanent name and address of place of business.
3. The number of regular employees of the organization and length of time the organization has been in business under present name.
4. The names of members of the firms who hold appropriate trade licenses, together with license numbers.

Failure or refusal to furnish any of the above information, if requested, shall constitute a basis for disqualification of any bidder.

In determining the lowest responsible, responsive bidder, the owner shall take into consideration the bidder's compliance with the requirements of G.S. 143-128.2(c), the past performance of the bidder on construction contracts for the State with particular concern given to completion times, quality of work, cooperation with other contractors, and cooperation with the designer and owner. Failure of the low bidder to furnish affidavit and/or documentation as required by G.S. 143-128.2(c) shall constitute a basis for disqualification of the bid.

Should the owner adjudge that the apparent low bidder is not the lowest responsible, responsive bidder by virtue of the above information, said apparent low bidder will be so notified and his bid security shall be returned to him (if applicable).

PREBID CONFERENCE

Prebid conference for this project will be *Monday October 23, 2023 at 10:00 am*. Conference will take place at the Project Site. **Attendance is MANDANTORY.**

Any questions arising from the walk-thru/pre-bid conference should be directed in writing via email to Victor Bird at Sigma Engineered Solutions PC (vbird@sigmaes.com). Questions must be received by noon on *Thursday October 26, 2023*, in order to be addressed in addendum format.
