<p align="center">ADDENDUM #3</p>	

This addendum is issued to answer additional questions posed regarding the RFP.

- On page four, 3rd paragraph, it mentions two deliverables, the development and implementation of an ISO compliant asset management system and assistance with the development of the requirements to be included in a separate RFP for a new asset management and work management application. Will the winning bidder of this RFP be precluded from participating in the RFP to secure a new system?

A: The winner of this RFP process will be allowed to participate in the RFP process to secure a new system.
