Project Name	Perimeter Electronic Door Locking - Multiple Campuses
Type of Services	Architectural/Engineering
Project Manager	David Hammock
Phone Number	(919) 515-2030
Contact Email	david_hammock@ncsu.edu
Closing Date	05/28/2026
Project Budget	\$4,000,000
Project Description	<p>One-Two Sentences</p> <p>Design and Construction seeks to hire an architect-led design team strong in low-voltage electronics and perimeter door security for a project that will provide perimeter security upgrades and updates to standardize building access control throughout North, Central, South, West, and Centennial Biomedical Campus Precincts. This project, which involves approximately 75 buildings, will design and install card access for all campus buildings that do not currently have card access and will upgrade card access to current campus standards for those buildings that currently have card access.</p> <p>Current project authorization is for advance planning only. The selected firm may be retained through full design and construction at the University's option.</p>
Submit Letters of Interest and Current SF-330 to:	<p>(Contact Person, Name of Institution & Address)</p> <p>Only electronic responses will be accepted. Please submit Letters of Interest and Current SF-330 forms to:</p> <p>NC State University David Hammock david_hammock@ymail.com</p>
