It is understood that the WCPSS may use all means at their collective disposal to evaluate the bids received on these criteria, and the final decision as to the best overall offer, both as to price and to suitability of the products and/or services offered to fit the needs of the WCPSS, will solely rest on the Child Nutrition Senior Director and /or the WCPSS CNS.

AWARD OF CONTRACT

It is the general intent to award this contract to a single overall bidder. The right is reserved, however, to make awards to multiple bidders, if such shall be considered by Wake County Public School System to be most advantageous or to constitute its best interest. Bidders should show unit prices but are requested also to offer a total price per item.

The successful bidder(s) will be notified by "Notice(s) of Award" issued by the WCPSS Purchasing Department.

Bid audits may be conducted as a means of determining and/or verifying the cost quoted by the Vendor.

SOURCE SELECTION

WCPSS will review all information submitted in order for WCPSS to award the contract to the bidder providing the most responsive/responsible low bid.

The evaluation committee may request clarifications, an interview with or presentation from any or all bidders. However, the WCPSS may refuse to accept, in full or partially, the response to a clarification request given by any bidder. Bidders are cautioned that the evaluators are not required to request clarifications; therefore, all offers should be complete and reflect the most favorable terms.

Evaluation Process Explanation. WCPSS employees will evaluate all proposals. All proposals will be initially classified as being responsive or non-responsive. If a proposal is found non-responsive, it will not be considered further. All responsive proposals will be evaluated based on stated evaluation criteria, as provided with this IFB. Any references in an answer to another location in the IFB materials or Proposal shall have specific page numbers and sections stated in the reference.

To be eligible for consideration, a bidder must meet the intent of all requirements. Compliance with the intent of all requirements will be determined by WCPSS. Responses that do not meet the full intent of all requirements listed in this IFB may be subject to point reductions during the evaluation process or may be deemed non-responsive. Further, a serious deficiency in the response to any one factor may be grounds for rejection.

Bidders are advised that WCPSS is not obligated to ask for or accept after the closing date.

Bidder may be disqualified from any evaluation or award if bidder or any key personnel proposed, has previously failed to perform satisfactorily during the performance of any contract with WCPSS, or violated rules or statutes applicable to public bidding in the State of North Carolina, as documented. Vendors must not be debarred from doing business with the State of North Carolina or Federal Government.

CONFIDENTIALITY AND PROHIBITED COMMUNICATIONS DURING EVALUATION

During the evaluation period—from the date bids are opened through the date the contract is awarded—each Vendor submitting a bid (including its representatives, sub-contractors and/or suppliers) is prohibited from having any communications with any person inside or outside of WCPSS, other government agency office, WCPSS body or private entity, if the communication refers to the content of Vendor's bid or qualifications, the contents of another Vendor's bid, another Vendor's qualifications or ability to perform the contract, and/or the transmittal of any other communication of information that could be reasonably considered to have the effect of directly or indirectly influencing the evaluation of bids and/or the award of the contract. A Vendor not in compliance with this provision shall be disqualified from contract award, unless it is determined in WCPSS' discretion that the communication was harmless, that it was made without intent to influence and that the best interest of WCPSS would not be served by the disqualification. A Vendor's bid may be disqualified if its sub-contractor and supplier engage in any of the foregoing communications during the time that the procurement is active (i.e., the issuance date of the procurement to the date of contract award). Please contact bids-mcalvert@wcpss.net.

VENDORS ARE CAUTIONED THAT ALL RESPONSES MUST BE ORGANIZED, IDENTIFIABLE AND READILY ACCESSIBLE. A TEMPLATE IS PROVIDED FOR USE BUT ANY ADDITIONAL INFORMATION SHOULD REFLECT IDENTIFIABLE LANGUAGE AND BE ACCESSIBLE AND ORGANIZED.

The manufacture, brand name and model numbers are used to provide respondents specific information on the quality and usefulness of the product that is being requested. These references are not intended to restrict comparable products. Other manufacturers and brands will be considered if they meet or exceed the minimum standards of the product referenced. See below for accompanying literature that is required when submitting your bid.

DESCRIPTIVE LITERATURE/CERTIFICATION

Each bid shall be accompanied by complete descriptive literature, specifications, certifications, and all other pertinent data necessary for thorough evaluation of the item(s) bid and sufficient to determine compliance of the item(s) with the specifications.

CONTRACT TERM

The transfer, assignment, or subcontracting of contracts is prohibited, and the bidder agrees not to sell, assign, transfer, convey, or subcontract any portion of this contract resulting from this IFB without the prior written consent of WCPSS. This will be a one-year term contract beginning at the award of bid through April 30, 2026.

BID EVALUATION

Bids are requested on the items and/or equipment as hereinafter specified or like items similar in design, function, and performance. Wake County Public School System reserves the right to reject any bid on the basis of function, compatibility with user requirements of utility as well as costs. Bidder(s) are cautioned that any/all information furnished or not furnished on this bid may be used as a factor in determining the award of this contract.

SUBSTITUTIONS

The WCPSS will not accept any substitutes after items(s) have been awarded as specified, unless such substitutions are deemed to be in the best interest of the WCPSS Child Nutrition Services, and unless prior agreements have been reached and reduced to writing regarding such substitutions. Substitutions need to have the same nutritional contents of the awarded items. Substituting without the prior approval by the WCPSS designee will constitute a breach of contract by the vendor which may result in the initiation of actions covered in section #32 of this General Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination" and the associated financial impacts attached thereto and may jeopardize any future business from the WCPSS. Substitutions will not be accepted or considered without at least a 48-hour notice prior to delivery.

After acceptance, the successful vendor will be liable for any expenses, including attorney fees, incurred as a result of violations or attempts to enforce this contract.

If the vendor is unable to deliver an approved product, the respective Wake County Public Schools Child Nutrition Services office shall purchase a product of equal or greater quality from another source. The difference between price paid and contract price will be charged to the contracted vendor.

Subject to the restrictions discussed below, the WCPSS will consider a WRITTEN request from any bidder that the bidder be allowed to withdraw any bid submitted, but ONLY IN ITS ENTIRETY, and ONLY UNTIL THE DUE DATE AND TIME FOR BID SUBMISSION as stated in the Bid Certification included with this IFB. A representative of the bidding entity who is authorized to enter into contracts on behalf of the bidding entity must manually sign any request for the withdrawal of any bid in ink, and the person signing the request must indicate his/her title along with his/her signature. No bid may be withdrawn after the date and time that bids are due as specified in the Bid Certification. Only bids that have been submitted consistent with the instructions relating to packaging and labeling of the bid will be considered for withdrawal.

If there is any question in the mind of the management of the WCPSS regarding the identity of the bid or the identity of the bidder relation to any request for the withdrawal of any bid, the WCPSS will refuse to allow the withdrawal of the bid. Withdrawal of any bid allowed by the WCPSS will require the completion and signature of a written receipt by the bidder's representative satisfactory to the WCPSS Administrator before the bid will be released. The offeror is responsible for clearly noting any differences in proposed packaging and/or units of measure in the bid response, and the offeror shall understand that if the item in question is awarded by the offeror, the quantity specified for that item will be adjusted to achieve an approximate equivalent amount of the product.

In cases where another price is requested for comparison purposes (e.g., "portion price" or "price per ounce"), such price is for comparison purposes only. Purchases will be made in the increments of the unit of measure specified. In the case of any discrepancy or error in comparison price calculations, the price for the unit of measure specified will prevail. Excessive errors in comparison price calculations will be sufficient grounds for rejection of the entire bid.

Allowable costs will be paid from the nonprofit school food service account to the offeror/contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under the contract, to the extent those credits are allocable to the allowable portion of the costs billed to the SFA. The offeror/contractor agrees to fully disclose all discounts, rebates, allowances, and incentives received by the Company from its suppliers. If the offeror/contractor receives a discount, rebate, allowance, or incentive from any supplier, the offeror/contractor must disclose and return to the Wake County Public School System District the full amount of the discount, rebate, or applicable credit that is received based on the purchases made on behalf of the Wake County Public School System District. All discounts, rebates, allowances, and incentives must be returned to the Wake County Public School System District during a mutually agreed upon timeframe that is beneficial to the School District.

"Cost Plus" bids will not be accepted unless otherwise requested in this IFB.

Bid Prices must be firm for acceptance throughout the term of the contract, unless otherwise specified in this IFB or in the bidder's response.

If during the term of the contract, a successful bidder's net prices to any or all of its other customers in similar market circumstances for any of the same items awarded under this IFB are reduced below the contracted price, it is understood and agreed that the benefits of such price reduction shall be extended to all participants of the WCPSS.

VALUE ADDED

Value added options and services including, but not limited to, product merchandisers and other purchasing incentives will not be considered as a factor in evaluating the award of this Bid.

MAKE AND MODEL

Manufacturer's name and model/catalog numbers used are for the purpose of identification and to establish general quality level desired. Such references are not intended to be restrictive and comparable products of other manufacturers will be considered. However, bidders are cautioned that any deviation from specifications must be pointed out in their bid.

SAMPLES

Samples are not required prior to bid opening date; however, if required later, bidder agrees to furnish samples of items offered at no expense to WCPSS within 10 consecutive calendar days after the request is made by WCPSS. Bids which do not comply with these requirements will be subject to rejection.

SUITABILITY FOR INTENDED USE

Bidders are requested to offer only comparable equipment which will provide the equivalent capabilities, features, and diversity called for herein. Wake County Public School System reserves the right to evaluate all bids for suitability for the required use and to award the one best meeting requirements and thought to be in the Wake County Public School System's best interest.

WARRANTY

Vendor warrants to WCPSS that any and all equipment/goods under the specifications requested will be new, of good material and workmanship and agrees to replace promptly any item that does not meet the quality specifications and operational standards set forth by WCPSS requirements, which by reason of defective material or workmanship shall fail under normal use, free of negligence or accident, for a minimum period of twelve (12) months from date put in operation. Such replacement shall include all parts, labor, and transportation cost to the location where item(s) are located and free of any charge to the owner or his representative.

Vendor shall include all warranty information with submittal of bid. Warranty information is subject to consideration for award of bid. By submission of a bid, the bidder warrants that the bidder is an authorized dealer, vendor, or manufacturer for the product(s) being offered, that all items bid conform to the specifications for which the items are being offered, and that all items supplied under any contract related to this IFB will be free from all defects in material, workmanship, and title.

A minimum of 90-days product guarantee or the manufacturer's standard commercial warranty, whichever is greater, shall apply to all products purchased under this IFB. This warranty shall provide for replacement of defective merchandise from the specified WCPSS location and delivery of the replacement(s) to the same location. The warranty shall be effective from the date of acceptance of the merchandise.

EQUAL EMPLOYMENT OPPORTUNITY (EEO) DISCLOSURES

By submission of a bid, the bidder agrees that in the performance of any contract resulting from any award under this bid, the bidding entity will comply with all applicable equal employment opportunity laws and regulations, including, but not limited to, an agreement not to deny any benefit to, exclude from any opportunity, or discriminate in any way against, any applicant, employee, or any other person because of age, color, creed, gender, handicapping condition, marital status, national origin, political affiliation or belief, race, religion, or veteran status.

The Bidder shall comply with Executive Order 11246, entitled Equal Employment Opportunity, as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations, 41 CFR Part 60.

The occurrence of any prohibited discrimination will constitute vendor's breach of contract due to a substantial failure by the vendor to fulfill its obligations, whereupon the WCPSS may terminate the vendor's contract for cause as provided by section #32 of this General Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination."

FORCE MAJEURE

The term Force Majeure shall include, but is not limited to, governmental restraints or decrees, provided they affect all companies in the vendor's industry equally and are not actions taken solely against the vendor; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The parties to this contract will be required to use due caution and preventative measures to protect against the effects of Force Majeure, and the burden of proving that Force Majeure has occurred shall rest on the party seeking relief under this section. The party seeking relief due to Force Majeure will be required to promptly notify the other party in writing, citing the details of the Force Majeure event, and will be required to use due diligence to overcome obstacles to performance created by the Force Majeure event, and shall resume performance immediately after the obstacles have been removed, provided the contract has not been terminated in the interim.

Delay or failure of performance, by either party to this contract, caused solely by the Force Majeure event shall be executed for the period of delay caused solely by the Force Majeure event, provided the affected party has promptly notified the other party in writing. Neither party shall have any claim for damages against the other resulting from delays caused solely by Force Majeure.

WCPSS will be responsible for any costs incurred by the vendor because of the Force Majeure event unless the WCPSS has requested, in writing, that the vendor incur such costs in connection with any delay or work stoppage caused by the Force Majeure event, and the WCPSS has agreed in such writing to incur such additional costs.

Notwithstanding any other provision of this section, in the event the vendor's performance of its obligations under this contract is delayed or stopped by a Force Majeure event, the WCPSS shall have the option to terminate this contract in accordance with section #32 of this General Terms and Conditions document entitled "Remedies for Non-

Performance of Contract, and Contract Termination.” Furthermore, this section shall not be interpreted as to limit or otherwise modify any of the WCPSS’s rights as provided elsewhere in this contract.

RECORDS RETENTION

By signing this bid, the bidder understands that the WCPSS, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the contractor which are directly pertinent to the specific contract, for the purpose of audits, examinations, excerpts, and transcriptions.

The bidder is required to retain pertinent records for five (5) years plus the current school year after the WCPSS make final payments and all other pending matters are closed.

REMEDIES FOR NON-PERFORMANCE OF CONTRACT, AND TERMINATION OF CONTRACT

If the vendor cannot comply with the terms and conditions in fulfilling its contract as anticipated, the vendor must supply the same products or services contracted from other sources at the contract price.

The vendor’s delay in the above will constitute the vendor’s material breach of contract, whereupon the WCPSS may terminate the vendor’s contract for cause as provided by the remainder of this section.

Unless this contract is extended by mutual agreement of the parties beyond the expiration of the contract time period as stated on the Bid Certification sheet, this contract shall terminate upon the expiration of the contract term as stated on the Bid Certification sheet.

If any delay or failure of performance is caused by a Force Majeure event as described above in the General Terms and Conditions entitled “Force Majeure,” the WCPSS may, in its sole discretion, terminate this contract in whole or part, provided such termination follows the remaining requirements of this section.

Except as otherwise provided for within the General Terms and Conditions of this document, this contract may be terminated in whole or in part by either party in the event of substantial failure by the other party to fulfill its obligations under this contract through no fault of the terminating party; provided that no such termination may be implemented unless and until the other party is given (1) at least ten (10) days written notice (delivered by certified mail, return receipt requested) of intent to terminate, and (2) an opportunity for consultation with the terminating party, followed by a reasonable opportunity, of not more than ten (10) working days, to rectify the defects in products or performance, prior to termination.

Valid causes for termination of this contract will include, but are not limited to:

- a) the vendor’s failure to adhere to any of the provisions of the General Terms and Conditions of this IFB,
- b) the vendor delivering any product(s) that fails to meet the Item Specifications included in this IFB relating to the awarded product(s)
- c) the vendor delivering any substitution(s) of product(s) different than those originally bid and awarded without the prior written approval of the WCPSS placing the order,
- d) the vendor’s failure to meet the required delivery schedules as identified in the contract documents, or
- e) the vendor’s violation of any other provision contained within these General Terms and Conditions or any attachment thereto which provides for contract termination as a remedy
- f) the vendors are not permitted to contact managers or staff at school level about items that can be ordered or should be ordered. Bids are awarded through the main office only. All purchases and purchase orders are processed and distributed through the central Child Nutrition Business office only.

Notwithstanding anything contained in this section, in the event of the vendor’s breach of any provision in this contract, the WCPSS reserves the right to enforce the performance of this contract in any manner prescribed by law or deemed to be in the best interest of the Wake County Public Schools, including, but not limited to, the purchase of other products of like type and quality from other sources in the open market. In the event the WCPSS elects to purchase other products from other sources, the WCPSS will invoice the vendor for any increased costs to the WCPSS, and the vendor agrees, by submission of a bid response, to promptly pay any such charges invoiced.

In the event the WCPSS terminates this contract, in whole or in part, for any reason provided for within the contract, the WCPSS reserves the right to award the cancelled contract, or any portion thereof, to the next lowest or best bidder as it deems such award to be in the best interest of the Wake County Public Schools.

Any contract termination resulting from any cause other than a Force Majeure event will be deemed a valid reason for not considering any future bid from the defaulting vendor.

In the performance of this contract, time is of the essence and these General Terms and Conditions are of the essence.

RIGHT TO ASSURANCE

Whenever one party to this contract in good faith has reason to question the other party's intent to perform, he may demand that the other party give a written assurance of his intent to perform. In the event that a demand is made, and no assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

SUB-CONTRACTING SERVICES

The transfer, assignment, or subcontracting of contracts is **prohibited**, and the bidder agrees not to sell, assign, transfer, convey, or subcontract any portion of this contract resulting from this IFB without the prior written consent of WCPSS.

ASSIGNMENT – DELEGATION

No responsibility or obligation created by this contract shall be assigned or delegated by the vendor without written permission from the WCPSS. Any attempted assignment or delegation by the vendor shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

CATALOGS

For "discount from catalog" bids or other bids based on industry or other "benchmark" pricing lists or tables, it will be the responsibility of the successful bidder(s) to provide the WCPSS with a complete, updated catalog and/or price list for all items awarded within five (5) working days of receipt of a Notification of Award. Subsequent additions, deletions, or changes in product specifications may be submitted to the WCPSS when they become available.

CONTRACT AND PURCHASE ORDERS

A response to IFB is an offer to contract with the WCPSS based upon the Item Specifications and the General Terms and Conditions contained in the IFB. ***Bids do not become contracts unless and until they are both accepted by the WCPSS through an Award Notice to the bidder and put into effect by the issuance of a Purchase Order(s) signed by an authorized representative of the WCPSS or its designee. Bidders acting upon the opening of an apparent low bid alone do so at their own risk.***

This contract shall collectively include (1) the General Terms and Conditions and the Item Specifications included in the IFB and any subsequent addenda thereto, (2) the bidder's signed Bid Certification sheet and any subsequent addenda thereto, (3) the bidder's entire response to the IFB, (4) the bidder's Notice of Award document, (5) and any additional terms, conditions, or instructions contained in each individual Purchase Order. All the binding agreements should be submitted as part of the bid packet. The contract shall be interpreted by and governed under the laws of the State of North Carolina

TAXES

Wake County Public School System is NOT tax-exempt. Unless otherwise indicated, tax must be computed and added to your bid. Any itemized shipping charges are also subject to tax.

ETHICS AND THE PURCHASING FUNCTION *Policy Code: 6401/9100*

The Wake County Board of Education is committed to conducting the purchasing function in an ethical manner and in compliance with state and federal laws and regulations. The Board expects all employees who are directly or indirectly involved in any aspect of the purchasing function to be aware of and comply with all current state and federal laws and regulations as these standards apply to the school system's purchasing activities. The Board's purchasing goals and principles will not be compromised by individuals motivated by personal gain.

Employees directly or indirectly involved in any aspect of the school system's procurement, purchasing, and/or contracting process for apparatus, materials, equipment, supplies, services, real property, or construction or repair projects, regardless of source of funds, must adhere to the following standards of conduct and those established in any policies regarding employee conflict of interest and 8305: Federal Grant Administration.

1. Employees are expected to make all purchasing-related decisions in a neutral and objective way based on what is in the best interest of the school system and not in consideration of actual or potential personal benefit.

2. Employees shall not participate, directly or indirectly, in making or administering any contract from which they will obtain a direct benefit, unless an exception is allowed pursuant to law.

An employee obtains a direct benefit when the employee or his or her spouse will receive income, commission, or property under the contract, or the employee or spouse has more than a 10 percent interest in an entity that is a party to the contract. See G.S. 14-234 and any policies regarding employee conflict of interest.

Participation in making or administering a contract includes, but is not limited to, participating in the development of specifications or contract terms; obtaining or reviewing bids; preparation or award of the contract; and having the authority to make decisions about, interpret, or oversee the contract.

3. Employees shall not participate, directly or indirectly, in the selection, award, or administration of a contract supported in whole or part by a federal grant or award if the employee has a real or apparent conflict of interest. See 2 C.F.R. 200.318 and policy 8305: Federal Grant Administration.

A real or apparent conflict exists when the employee, his or her immediate family member or partner, or an organization which employs or is about to employ any of those individuals, has a financial or other interest in or receives a tangible personal benefit from a firm considered for a contract. For purposes of this subsection, a "financial interest" means a financial interest which comprises more than five percent of the equity of the firm or business or more than five percent of the assets of the economic interest in indebtedness. It does not include an ownership interest held through a fiduciary, such as *Policy Code: 6401/9100* a mutual fund or blind trust, where the individual or individual's employer has no control over the selection of holdings.

4. Employees shall not influence or attempt to influence any person involved in making or administering a contract from which the employee will obtain a direct benefit as described in paragraph 2, above.

5. Employees shall not solicit or receive any gift, favor, reward, service, or promise of reward, including a promise of future employment, in exchange for recommending, influencing, or attempting to influence the award of a contract by the school system.

6. Employees shall notify the superintendent or designee in writing if they have an actual or potential conflict of interest under this policy or applicable state or federal law that would disqualify them from performing any aspect of their job responsibilities.

7. Employees shall not solicit or accept trips, meals, gratuities, gifts, favors, or anything of monetary value from current or recent (within the past year) contractors, subcontractors, or suppliers, or any persons or entities that foreseeably may bid on a contract in the future, unless the item is an unsolicited gift of nominal value (\$50 or less), and is one of the following: an advertising item or souvenir that is widely distributed; an honorarium for participating in a meeting; a meal provided at a banquet; or other item that is clearly permitted by state and federal law. Multiple permitted items from a single contractor may not exceed an aggregate value of \$100 in a twelve-month period.

Employees shall inform existing and potential contractors, subcontractors, and suppliers about these restrictions.

8. Employees shall not solicit or accept any gift from a current or potential provider of E-rate services or products in violation of applicable federal E-rate program gifting rules.

9. Employees shall not divulge confidential information to any unauthorized person. Confidential information includes but is not limited to (1) the school system's cost estimate for any public contract, prior to bidding or completion of other competitive purchasing processes; and (2) the identity of contractors who have obtained proposals for bid purposes for a public contract, until the bids are opened in public and recorded in the Board minutes.

10. An employee shall not misuse information in violation of G.S. 14-234.1. Specifically, an employee shall not, in contemplation of the employee's own official action or that of the Board or others acting on behalf of the school system, or in reliance on information known to the employee in his or her official capacity and not made public, to: a. acquire a financial interest in any property, transaction, or enterprise; b. gain a financial benefit that may be affected by the information or contemplated action; or c. intentionally aid another to

acquire a financial interest or gain a financial benefit from the information or contemplated action.

The superintendent or designee shall ensure that all affected personnel are aware of Board policy requirements and applicable laws. Any individual aware of any violation of this policy, policy 2121: Board Member Conflict of Interest, any policies regarding employee conflict of interest, the conflict-of-interest provisions of policy 8305: Federal Grant Administration, or applicable conflict of interest laws shall report such violation in accordance with policy 1760/7280: Prohibition Against Retaliation. Employees who violate this policy, policy 2121, any policies regarding employee conflict of interest, or the conflict-of-interest provisions of policy 8305, will be subject to disciplinary action.

Gift Prohibition. Provider acknowledges that it is subject to N.C.G.S. §§ 14-234 and 133-32, which prohibit contractors from providing items of value to school system officials and employees under various circumstances. N.C.G.S. § 14-234, in pertinent part, prohibits contractors from providing to specific school system officers/employees a gift, favor, reward, service, or promise of reward in exchange for recommending influencing or attempting to influence the award of a contract. N.C.G.S. § 133-32, in pertinent part, bars provision of gifts or favors to specific school system officers/employees by a contractor who has a contract, has performed under a contract in the last year, or anticipates bidding on a contract in the future. Provider covenants that no director, employee or agent of Provider, or any other person connected with Provider, has made, offered or given, either directly or indirectly, to any School System Board member, employee, or agent, or to any person connected with the School System, any gift, favor, or item of value in violation of either N.C.G.S. §§ 14-234 or 133-32. Provider agrees that a breach of this provision as identified by the school system may result in the School System's termination of this Contract without liability and/or at the School System's discretion, the recovery of any and all funds paid to Provider pursuant to this Contract. Provider further agrees that to the extent there exists any doubt as to whether its actions have violated, or could violate, this provision, Provider will promptly notify the school system so it can make a determination as to the propriety of the Provider's past or proposed future conduct.

6. **TIME FOR CONSIDERATION:** Unless otherwise indicated on the first page of this document, bidder's offer shall be valid for 45 days from the date of bid opening. Preference may be given to bids allowing not less than 45 days for consideration and acceptance.
7. **SPECIFICATIONS:** Any deviation from specifications indicated herein must be clearly pointed out; otherwise, it will be considered that items offered are in strict compliance with these specifications, and bidder will be held responsible, therefore. Deviations shall be explained in detail. **The bidder shall not construe this paragraph as inviting deviation or implying that any deviation will be acceptable.**
8. **INFORMATION AND DESCRIPTIVE LITERATURE:** Bidder is to furnish all information requested and, in the spaces, provided in this document. Further, if required elsewhere in this bid, each bidder must submit with their bid sketches, descriptive literature and/or complete specifications covering the products offered. 9. **RECYCLING AND SOURCE REDUCTION:** It is the policy of WCPSS to encourage and promote the purchase of products with recycled content to the extent economically practicable, and to purchase items which are reusable, refillable, repairable, more durable, and less toxic to the extent that the purchase or use is practicable and cost-effective.
We also encourage and promote using minimal packaging and the use of recycled/recyclable products in the packaging of commodities purchased. However, no sacrifice in quality of packaging will be acceptable. The company remains responsible for providing packaging that will protect the commodity and contain it for its intended use.
Companies are strongly urged to bring to the attention of WCPSS which issued the solicitation document, those products or packaging they offer which have recycled content and that are recyclable.
10. **CLARIFICATIONS/INTERPRETATIONS:** Any and all questions regarding this document must be addressed to the purchaser named on the cover sheet of this document. Do not contact the school or department directly. Any and all revisions to this document shall be made only by written addendum from WCPSS Purchasing Department. The bidder is cautioned that the requirements of this bid can be altered only by written addendum and that verbal communications from whatever source are of no effect.
11. **ACCEPTANCE AND REJECTION:** WCPSS reserves the right to reject any and all bids, to waive any informality in bids and, unless otherwise specified by the bidder, to accept any item in the bid. If either a unit price or extended price is obviously in error and the other is obviously correct, the incorrect price will be disregarded.
12. **REFERENCES:** WCPSS reserves the right to require a list of users of the exact item offered. WCPSS may contact these users to determine acceptability of the bid. Such information may be considered in the evaluation of the bid.
13. **AWARD OF CONTRACT:** As directed by statute, qualified bids will be evaluated and acceptance may be made of the lowest and best bid most advantageous to WCPSS as determined upon consideration of such factors as: prices offered; the quality of the articles offered; the general reputation and performance capabilities of the bidders; the substantial conformity with the specifications and other conditions set forth in the bid; the suitability of the articles for the intended use; the related services needed; the date or dates of delivery and performance; and such other factors deemed by WCPSS to be pertinent or peculiar to the purchase in question. Unless otherwise specified by WCPSS or the bidder, WCPSS reserves the right to accept any item or group of items on a multi-item bid. WCPSS also reserves the right to reject any and all bids. In addition, on TERM CONTRACTS, WCPSS reserves the right to make partial, progressive, or multiple awards: where it is advantageous to award separately by items; or where more than one supplier is needed to provide the contemplated requirements as to quantity, quality, delivery, service, geographical areas; other factors deemed by WCPSS to be pertinent or peculiar to the purchase in question.
14. **HISTORICALLY UNDERUTILIZED BUSINESSES:** Pursuant to General Statute 143-48 and Executive Order #150, WCPSS invites and encourages participation in this procurement process by businesses owned by minorities, women, disabled, disabled business enterprises and non-profit work centers for the blind and severely disabled.

15. **CONFIDENTIAL INFORMATION:** As provided by statute and rule, WCPSS will consider keeping trade secrets which the bidder does not wish disclosed confidential. Each page shall be identified in boldface at the top and bottom as "CONFIDENTIAL" by the bidder. Cost information shall not be deemed confidential. In spite of what is labeled as a trade secret, the determination whether it is or not will be determined by North Carolina law.
16. **SAMPLES:** Sample of items, when required, must be furnished as stipulated herein, free of expense, and if not destroyed will, upon request, be returned at the bidder's expense. Request for the return of samples must be made within 10 days following date of bid opening. Otherwise, the samples will become WCPSS property. Each individual sample must be labeled with the bidder's name, bid number, and item number. A sample on which an award is made, will be retained until the contract is completed, and then returned, if requested, as specified above.
17. **AWARD PROCEDURES:** Contract award notice shall be posted on WCPSS website. Contract award notices are sent **only** to those actually awarded contracts, and not to every person or firm responding to this solicitation.
18. **RECIPROCAL PREFERENCE:** G.S. 143-59 establishes a reciprocal preference law to discourage other states from applying in-state preferences against North Carolina's resident bidders. The "Principal Place of Business" is defined as the principal place from which the trade or business of the bidder is directed or managed.
19. **DEFAULT AND PERFORMANCE BOND:** In case of default by the contractor, WCPSS may procure the articles or services from other sources and hold the contractor responsible for any excess cost occasioned thereby. WCPSS reserves the right to require performance bond or other acceptable alternative guarantees from successful bidder without expense to WCPSS.
20. **GOVERNMENTAL RESTRICTIONS:** In the event any Governmental restrictions are imposed which necessitate alteration of the material, quality, workmanship, or performance of the items offered prior to their delivery, it shall be the responsibility of the contractor to notify in writing WCPSS, indicating the specific regulation which required such alterations. WCPSS reserves the right to accept any such alterations, including any price adjustments occasioned thereby, or to cancel the contract.
21. **TAXES:** Any applicable taxes shall be invoiced as a separate item.
G.S. 143-59.1 bars the WCPSS from entering into contracts with vendors if the vendor or its affiliates meet one of the conditions of G. S. 105-164.8(b) and refuse to collect use tax on sales of tangible personal property to purchasers in North Carolina. Conditions under G. S. 105-164.8(b) include: (1) Maintenance of a retail establishment or office, (2) Presence of representatives in the State that solicit sales or transact business on behalf of the vendor and (3) Systematic exploitation of the market by media-assisted, media-facilitated, or media-solicited means. By execution of the bid document the vendor certifies that it and all of its affiliates (if it has affiliates) collect(s) the appropriate taxes.
22. **SITUS:** The place of this contract, its situs and forum, shall be Wake County, North Carolina, where all matters, whether sounding in contract or tort, relating to its validity, construction, interpretation, and enforcement shall be determined.
23. **GOVERNING LAWS:** This contract is made under and shall be governed and construed in accordance with the laws of the State of North Carolina.
24. **INSPECTION AT CONTRACTOR'S SITE:** WCPSS reserves the right to inspect, at a reasonable time, the equipment/item, plant or other facilities of a prospective contractor prior to contract award, and during the contract term as necessary for WCPSS determination that such equipment/item, plant or other facilities conform with the specifications/requirements and are adequate and suitable for the proper and effective performance of the contract.
25. **PAYMENT TERMS:** Payment terms are Net not later than 30 days after receipt of correct invoice or acceptance of goods, whichever is later. Payment may be made by procurement card, and it shall be accepted by the contractor for payment if the contractor accepts that card (Visa, MasterCard, etc.) from other customers.
26. **CONDITION AND PACKAGING:** Unless otherwise provided by special terms and conditions or specifications, it is understood and agreed that any item offered or shipped has not been sold or used for any purpose and shall be in first class condition. All containers/packaging shall be suitable for handling, storage, or shipment.
27. **STANDARDS:** All manufactured items and/or fabricated assemblies subject to operation under pressure, operation by connection to an electric source, or operation involving a connection to a manufactured, natural, or LP gas source shall be constructed and approved in a manner acceptable to the appropriate state inspector which customarily requires the label or re-examination listing or identification marking of the appropriate safety standard organization; such as the American Society of Mechanical Engineers for pressure vessels; the Underwriters Laboratories and /or National Electrical Manufacturers' Association for electrically operated assemblies; or the American Gas Association for gas operated assemblies, where such approvals of listings have been established for the type of device offered and furnished. Further, all items furnished shall meet all requirements of the Occupational Safety and Health Act (OSHA), and state and federal requirements relating to clean air and water pollution.
28. **PATENT:** The contractor shall hold and save WCPSS, its officers, agents, and employees, harmless from liability of any kind, including costs and expenses, on account of any confidential information, copyrighted material, patented or unpatented invention, articles, device or appliance manufactured or used in the performance of this contract, including use by WCPSS or disclosure of any information pursuant to the NC Public Records Act.
29. **ASSIGNMENT:** No assignment of the contractor's obligations nor the contractor's right to receive payment hereunder shall be permitted. However, upon written request approved by the purchasing department and solely as a convenience to the contractor, WCPSS may:
 - a. Forward the contractor's payment check directly to any person or entity designated by the contractor, and
 - b. Include any person or entity designated by contractor as a joint payee on the contractor's payment check.
 In no event shall such approval and action obligate WCPSS to anyone other than the contractor and the contractor shall remain responsible for fulfillment of all contract obligations.

30. **INSURANCE:**

Certificates of Insurance acceptable to WCPSS shall be filed with WCPSS prior to commencement of the Work. These Certificates shall contain a provision that coverage afforded under the policies will not be canceled until at least thirty (30) days' prior written notice has been given to WCPSS, and that the Wake County Board of Education is listed as additional insured on general liability and automobile liability. **Provider agrees to maintain the appropriate insurance outlined in Exhibit B.** Other types of appropriate insurance may be required depending upon scope of services provided. Examples are aviation liability, pollution liability, crime, employee dishonesty/directors and officers.

The successful vendor agrees to hold harmless and indemnify the Wake County Board of Education (WCBOE) for any liability that may arise from the negligent or illegal acts of the vendor's employees or agents.

31. **GENERAL INDEMNITY:** The provider shall hold and save WCPSS, its officers, agents, and employees, harmless from liability of any kind, including all claims and losses, accruing or resulting to any other person, firm, or corporation furnishing or supplying work, services, materials, or supplies in connection with the performance of this contract, and from any and all claims and losses accruing or resulting to any person, firm, or corporation that may be injured or damaged by the provider in the performance of this contract and that are attributable to the negligence or intentionally tortious acts of the provider. The provider represents and warrants that it shall make no claim of any kind or nature against WCPSS agents who are involved in the delivery or processing of contractor goods to WCPSS. The representation and warranty in the preceding sentence shall survive the termination or expiration of this contract.

The Vendor and its sub-contractors, if any, hereby represent and covenant that they have complied and shall comply in the future with all applicable federal, state, and local laws, regulations, and rules and School System policies and procedures, as amended from time to time, relating to work to be performed under this Contract.
