

Construction Solicitations to Prequalify Contractors

Full Details

Institution	NC State University
Institution URL for Additional Information about this Project (Optional)	https://facilities.ofa.ncsu.edu/2024/03/lighting-conversion-cvm-main-building-phase-1/
Project Name	LED Conversion - CVM Main Building Phase 1
Prequalifying for	Within the CVM Main building, this project will convert the existing lighting to LED for energy savings. Existing fixtures will either be retrofitted or replaced. Approximately 43,650 square feet of the building will be included with this phase of the project. This square footage consists primarily of hallways and stairwells. Parts of the building may be occupied during construction, and some night/weekend work may be necessary.
