SELECTING CRITERIA

In selecting Designers, the Selection Committee should take into consideration qualification information including such factors as:

1. Specialized or appropriate expertise in the type of project. Provide a brief narrative indicating specific relevance of any examples of previous projects to CFCC's proposed project. Some ideas for demonstrating this include information on past projects involving renovations of occupied spaces, work in fully occupied buildings with uninterrupted utility coverage. HVAC only projects. Projects led as a prime contractor. Unexplained project marketing slicks will not score as well.
2. Past performance on similar projects. Provide a brief narrative indicating specific relevance of any examples of projects to CFCC's current project.
3. Adequate Staffing level and proposed Design or Consultant Team for the project.
4. Detail your current workload and State of NC monitored or owned projects underway with your firm.
5. Proposed design approach for the project including Design Team and Consultants.
6. Recent experience with project cost estimates and schedule adherence. Provide examples of cost and schedule estimating comparing favorably to actual cost and schedule adherence.
7. Construction Administration capabilities.
8. Proximity to and familiarity with the area where the project is located, and AHJ's involved.
9. Record of successfully completed projects without major legal or technical problems
10. Historically Underutilized Business representation in proposed consultant team. Provide a plan to increase participation.

SUBMITTAL CRITERIA

Proposing Firms must submit THREE (3) copies of the RFQ response and THREE (3) copies of your current Standard Form 254 OR SF 330 with the information package. A digital copy of the package will also be required as part of the submission. The current SF 254 template is located at <http://www.nc-sco.com/forms.aspx> which is the State Building Commission approved form.

In the interest of cost-savings to the Designers, consistency of the submittals and more efficient use of time by the Pre-Selection Committee, the submitted information package should not include any notebooks, binders, tabs, clips, etc. The format should be 8-1/2" x 11" pages stapled in the upper left-hand corner. The Letter of Interest should not exceed twenty **(20)** single-sided pages or ten **(10)** double-sided pages plus the SF 254 form.

E-mail and Fax submittals will not be accepted.
