

Construction Solicitations to Prequalify Contractors

Full Details

Institution	NC State University
Institution URL for Additional Information about this Project (Optional)	https://facilities.ofa.ncsu.edu/2026/03/request-for-general-contractor-prequalification-submittals-ligon-st-beryl-rd-water-line-improvements/
Project Name	Ligon St -Beryl Rd Water Line Improvements - I-440 Widening
Prequalifying for	This project improves the domestic water service to the Horticultural Field Labs (HFL) and the Dearstyne Complex by extending a new water line service and connection from Beryl Road and by installing a loop connection in existing piping serving the Dearstyne Complex. The project will also address domestic water pressure issues experienced by the HFL since the West Campus was disconnected from the Method Road pumping station as a result of the I-440 widening.
Main Contact for Submission	Campus Contact
Name of Design Firm	RMF Engineering
Design Firm Contact Name	Daniel Craig
Design Firm Telephone Number	(919) 941-9876
Design Firm Email	daniel.craig@rmf.com
CM at Risk Firm Name	
CM at Risk Firm Email	
Campus Contact Email	David Hammock
