Construction Material Testing and Special Inspections Services For The Orange County Crisis Diversion Facility

I. Purpose:

Orange County is soliciting statements of qualifications (SOQs) for Construction Materials Testing and Special Inspection services needed during the construction of the Orange County Crisis Diversion Facility.

Electronic responses ONLY will be accepted for this solicitation.

II. Project Overview and Scope of Work

Crisis Diversion Facility – Orange County will begin construction in August of 2026 on a new 22,000 SF Crisis Diversion Facility. The facility's purpose is to divert individuals experiencing a behavioral health crisis from hospital emergency departments and the County's Detention Center by offering 1) behavioral health urgent care services for assessment, stabilization, treatment, and aftercare planning for patients 4 years old and older; and 2) facility-based crisis services for adults for longer-term treatment.

CPL is the designer, and Gilbane will serve as the Construction Manager-at-Risk for the facility. Special inspections may include, but are not limited to, soils, earthworks, stormwater control systems, foundations, structural steel and masonry, firestopping, roofing systems, MEP, and smoke control systems. The firm should have an accredited lab in North Carolina. The SOQ should consider, in its submittal, the current construction schedule shown in Attachment 1.

A copy of the construction documents can be provided by contacting Alan Dorman at adorman@orangecountync.gov

VII. General Requirements:

Living Wage

Orange County is committed to providing its employees with a living wage and encourages agencies that it funds to pursue the same goal. A copy of Orange County's Living Wage Contractor Policy is included as a part of this RFQ.

E-Verify

HB789 imposes E-Verify requirements on contractors who enter into certain contracts with state agencies and local governments. The legislation specifically prohibits governmental units from entering into certain contracts "unless the contractor and the contractor's subcontractors comply with the requirements of Article 2 of Chapter 65 of the General Statutes." (Article 2 of Chapter 65 establishes North Carolina's E-Verify requirements for private employers.) It is important to note that the verification requirement applies to subcontractors as well as contractors. The new laws specifically prohibit governmental units from entering into contracts with contractors who have not (or their subcontractors have not) complied with E-Verify. A copy of E-Verify is included as part of this RFQ.

Orange County Nondiscrimination Certification

It is the policy of Orange County not to enter into a contract with any business, company, or firm that has discriminated in the solicitation, selection, hiring or treatment of vendors, suppliers, subcontractors, or commercial customers against a Protected Class, or on the basis of any otherwise unlawful use of individual or personal characteristics regarding such vendor's, suppliers, commercial customers, employees, or owners in connection with a county contract or solicitation; provided that nothing in this non-discrimination policy shall prohibit or limit otherwise lawful efforts to remedy the effects of discrimination that has occurred or is occurring in the marketplace. A copy of the Orange County Nondiscrimination Certification is included as part of this RFQ.

The Living Wage, E-Verify, and Non-discrimination Certification forms shall be returned with the offeror's submission. These attachments will not count toward the page limit

requirements.

VIII. Submission Requirements:

Interested firms are required to submit an electronic copy of their submittal by 2:00 p.m. EST on **July 7, 2026**, and include all information as detailed herein. Submittals must be less than 15 MB in size.

IX. Business registration:

Corporations, LLCs, LLPs, and foreign entities conducting business in North Carolina must maintain an active registration with the NC Secretary of State in order to legally transact business with the County.

Proprietary information may be submitted as part of the proposal/SOQ. Please clearly mark only the sections or pages that contain proprietary information with the word **“CONFIDENTIAL.”** Information and records submitted to Orange County are governed by the N.C. Public Records Act, as set forth in N.C. General Statutes 132-1, et. seq. Applicants are encouraged to review the applicable Statutes before submitting any information or documentation deemed to be proprietary.

XI. Insurance Requirements

The Firm shall obtain, at its sole expense, Commercial General Liability Insurance, Automobile Insurance, Workers' Compensation Insurance, and any additional insurance as may be required by County's Risk Manager as such insurance requirements are described in the Orange County Risk Transfer Policy and Orange County Minimum Insurance Coverage-Requirements

WITNESSETH:

That the County and Provider, for the consideration herein named, do hereby agree as follows:

1. Services

a. Scope of Work.

- i) This Services Agreement ("Agreement") is for services to be rendered by Provider to County with respect to *(insert type of project)*:
- ii) By executing this Agreement, the Provider represents and agrees that Provider is qualified to perform and fully capable of performing and providing the services required or necessary under this Agreement in a fully competent, professional and timely manner.

- b. Standard of Care.
 - i) The Provider shall exercise reasonable care and diligence in performing services under this Agreement in accordance with the highest generally accepted standards of this type of Provider practice throughout the United States and in accordance with applicable federal, state and local laws and regulations applicable to the performance of these services. Any and all employees of the Provider engaged by the Provider in the performance of any work or services required of the Provider under this Agreement, shall be considered employees or agents of the Provider only and not of the County, and any and all claims that may or might arise under any workers compensation or other law or contract on behalf of said employees while so engaged shall be the sole obligation and responsibility of the Provider.
- v) If activities related to the performance of this Agreement require specific licenses, certifications, or related credentials Provider represents that it or its employees, agents and subcontractors engaged in such activities possess such licenses, certifications, or credentials and that such licenses certifications, or credentials are current, active, and not in a state of suspension or revocation.
- vi) Should this Agreement involve project designs, the construction or creation of which is to be bid out or fulfilled by other contractors, and bidding or negotiation with contractors produce prices which, when added to the other elements of the approved total project cost, produce a cost that is in excess of the approved total project cost, the Provider shall participate with the County in negotiation and design adjustments to the extent such are necessary to obtain prices within the approved total project cost. All activity of the Provider with respect to these matters shall constitute Basic Services and shall be performed by the Provider without additional compensation. If negotiation and design adjustments fail to bring costs within the total project cost the County may reject all bids and Provider will redesign or reduce portions of the project in an effort to reduce the bid prices to within the total project cost and rebid the project. One such redesign is included within Basic Services. If this second letting for bids does not produce bids that are within the approved total project cost initially or after negotiations with the contractor the cost is not reduced to an amount within the total project cost, the Provider is not obligated to engage in further redesign.

- e. Suspension. County may suspend the Basic Services and this Agreement at any time for County's convenience and without penalty to County upon three (3) days' notice to Provider.
