The Project consists generally of the following major items:

The demolition and replacement of one (1) bulk fluoride tank and one (1) bulk fluoride waste tank at the EM Johnson WTP. The demolition and replacement of four (4) bulk sodium hypochlorite tanks and one (1) bulk fluoride tank at the DE Benton WTP.

Bidding Documents may be examined at Engineer's office and at: ConstructConnect, online; McGraw Hill Dodge Company, online; Construction Journal, online; and NC Institute of Minority Economic Development (a.k.a. The Institute), online.

Complete Bidding Documents may be obtained by registering at the office of the Engineer. Electronic documents will be provided \$25 per set. If desired, hard copies may be obtained upon providing a \$50 non-refundable fee for each set of documents, which includes all contracts.

With each request for Bidding Documents supply the following information: Company name, contact person, street address, phone number, and email address for Bidding point of contact; N. C. contractor's license with limitation and classification; indicate if the firm will be a Prime bidder, Supplier or Sub-Contractor.

Bidders will be required to show evidence that they are licensed to perform the work in the Bidding Documents as required by North Carolina General Statute, Chapter 87 and the Instruction to Bidders.

Bid Security in the amount of five percent (5%) of the Bid must accompany each Bid and shall be subject to the conditions provided in the Instruction to Bidders.

Pursuant to General Statutes of North Carolina Sections 143-128.2 and 143-131, and in accordance with City policy, the City of Raleigh encourages and provides equal opportunity for

certified Minority and Woman-Owned Business Enterprise (MWBE) businesses to participate in all aspects of the City's contracting and procurement programs to include Professional Services; Goods and Other Services; and Construction. The prime contractor will be required to identify participation of MWBE businesses in their Bid, and how that participation will be achieved.

Furthermore, the City's goal is to contract or sub-contract fifteen percent (15%) of the contract amount to certified MWBEs on construction projects over \$300,000, or with contracts that include \$100,000 or more in state funding.
