**Letters of Intent submitted upon notice from the City**

Per Section 3.5 of the CBI Administrative Procedures Manual, within three (3) Business Days after receiving a request from the City (or within such longer time as may be communicated by the City in writing), Bidders must submit a separate Letter of Intent (**CBI Form 4**) for each M/W/SBE listed on **CBI Form 3**. Each Letter of Intent must be executed by both the M/W/SBE and the Bidder. The City shall not count proposed M/W/SBE utilization for which it has not received a Letter of Intent by this deadline. In addition, a Hauler’s fees or commissions charged by an MWSBE hauler for providing a Commercially Useful Function shall count towards meeting the applicable Contract Goals. The costs of a hauler’s materials or supplies shall not count as part of the fees or commissions. The Bidder is still obligated to pay the M/W/SBE the full amount listed on the Contract with the M/W/SBE regardless of what percentage is actually counted towards the M/W/SBE Goal.

**Adding subcontractors or suppliers after submitting this form**

Nothing in this certification shall be deemed to preclude you from entering into subcontracting arrangements after submission of this form. However, per the CBI Administrative Procedures Manual, you must comply with the following:

- You must maintain the level of M/W/SBE participation proposed on this **CBI Form 3** (and **CBI Form 3A**, if applicable) throughout the duration of the Contract, except as specifically allowed in Section 5
- If you need to terminate or replace a M/W/SBE, you must comply with Section 5.3
- If the scope of work on the Contract increases, or if you elect to subcontract any portion of work not identified on this form as being subcontracted, then you must comply with Section 5.4
- A Letter of Intent (**CBI Form 4**) must also be submitted for each M/W/SBE you add subsequent to contract award.

**All Subcontractors and Suppliers must be registered with the City of Charlotte.**

Pursuant to the City’s Vendor Registration Policy, each subcontractor or supplier (non-MBE/SBE, WBEs, SBEs and MBEs) that you use on this contract must be registered in the City’s vendor database.
