410 Pritchard Street, Elizabeth City, NC 27909  
Engineer: WithersRavenel  
8466 Caratoke Highway, Building 400, Powells Point, NC 27966

The City of Elizabeth City will receive separate sealed formal bids for the KE White Tower Disinfection Project at the City of Elizabeth City's Public Works 2<sup>nd</sup> Floor Conference Room, located at 410 Pritchard Street, Elizabeth City, NC 27909, until Tuesday, July 29<sup>th</sup>, 2025, at 3 PM, local prevailing time, at which time the Bids received will be publicly opened and read. Bids received after this time will not be accepted. Bids may be submitted by UPS or hand delivery only at the Public Works building located at 410 Pritchard Street, Elizabeth City, NC 27909. While there is an option to attend the Bid Opening virtually, hardcopy bids are still required to be received. Sealed bids should be marked clearly:

**City of Elizabeth City**  
**RE: KE White Tower Disinfection Project**  
**C/O: R. Lassiter or D. Bell**  
**410 Pritchard Street**  
**Elizabeth City, NC 27909**

The project consists of installation of a Monoclor<sup>®</sup> Residual Control System (RCS) within the KE White Elevated Water Tower. The proposed booster pump disinfection improvement system includes a submerged tank mixer, water quality sampling system, submerged pump, injector assembly, hypochlorite storage tank, liquid ammonium storage tank, individual dosing skids for each chemical, and all associated appurtenances including, but not limited to, piping, control panels, chemical and electrical conduit. The booster pump disinfection system materials are to be provided by the City as detailed on the plan. All remaining materials are to be provided by the contractor.

A Pre-Bid Conference was held on Monday, May 19<sup>th</sup>, 2025, and information is included in the addenda.
