Institution URL for Additional Information about this Project (Optional)	https://drive.google.com/drive/folders/1F_HkZFR0rdoJ6O2yqqF97PyGl2IZ9gyg?usp=drive_link
Project Name	NCSSM Durham Campus-Wide HVAC Renovations
Type of Services	Architectural/Engineering
Project Manager	Robert Allen
Phone Number	(919) 416-2659
Contact Email	allenr@ncssm.edu
Closing Date	03/06/2024
Project Budget	\$ 2,000,000
Project Description	One-Two Sentences This project will repair HVAC systems across the campus to provide reliable, energy efficient operation, and comfortable indoor environments. The selected designer will be responsible for developing and prioritizing a phased implementation plan, including estimated costs for the initial phases that align with current available budget. The state's FCAP (Facilities Condition Assessment Program) report will provide initial information for development of a prioritized list. Full design and construction administration will be required for phases within the current authorized budget. The designer will assist in the identification and prioritization of additional phases and may be retained for full design and construction of additional phases funded within 18 months, at NCSSM's option. Responses are due by noon on 3/6/2024.
Submit Letters of Interest and Current SF-330 to:	(Contact Person, Name of Institution & Address) Robert Allen Vice Chancellor for Finance & Operations 1219 Broad Street Durham, NC 27705
