STATE BUILDING COMMISSION - SELECTING CRITERIA

In selecting Construction Manager at Risk, the selection committee should take into consideration qualification information including such factors as:

1. Specialized or appropriate expertise in the type of project.
2. Past performance on similar projects.
3. Adequate staff for the project.
4. Current workload and State projects awarded.
5. CM@R capabilities to take on additional work.
6. Proximity to and familiarity with the area where the project is located.
7. Record of successfully completed projects without major legal or technical problems.
8. Other factors which may be appropriate for the project.

STATE BUILDING COMMISSION - SUBMITTAL CRITERIA

Proposing firms must submit five (5) copies of the Letter of Interest and five (5) copies of the information package, plus 1 electronic copy on a thumb drive.

In the interest of cost-savings to the interested firms, consistency of the submittals and more efficient use of time by the pre-selection committee, the submitted information package should not include any notebooks, binders, tab, clips, etc. The format should be 8-1/2" x 11" pages stapled in the upper left-hand corner. The Letter of Interest should not exceed ten (10) single-sided pages or five (5) double-sided pages.

E-mail and Fax submittals will not be accepted.
