

Wake Tech Community College
Bid # 130-WTCC9209C

Department/Agency	Wake Technical Community College
Project Title	New Health Sciences Building and Deck (Design-Build)
Service	Prequalification documentation from trade contractors
Scope of Work	<p>This project is located on Wake Tech's Perry Health Sciences Campus in Raleigh, NC. It consists of a 106,000 SF, 3 story simulation hospital, 4 story precast parking deck and a backfill renovation of an existing space in an adjacent building. The building is a structural steel frame with masonry, composite panels, curtainwall, and punched openings on the exterior. Interior spaces include simulated patient care spaces such as patient rooms, operating rooms, training suites, and MRI/CT rooms. Spaces also include classrooms and computer labs.</p>
