1.	Q.	Reference Section 5.1 – Specifications – We do not perform large DBH tree removal and do not perform stump grinding. Are we able to bid on the other services or must we be able to accomplish everything listed in the specifications?
	A.	<p>At times we may need to remove large DBH trees. What is the largest that you can remove? Please indicate in your bid.</p> <p>As for the stump grinding, if you have a contractor you can work with, we may be able to accomodate that. You would just sub that work out.</p> <p>As stated in Section 3.1 Method of Award, our intent is to award a Contract to a single Vendor. An award or awards will be based on the responsive bid(s) offering the lowest price that meets the specifications to include required verifications such as but not limited to past performance, references, and financial condition.</p>
