IFB#63-RKB1050597 - Talley Student Union Carpet Installation

Question #	Reference Section	Question	Question
1		Will NCSU provide dumpsters for the awarded vendor to dispose of the old carpet and debris waste?	The awarded bidder will be responsible for renting a dumpster at their own cost to dispose of existing carpet and debris waste.
2		Can cove base height be verified?	During the site visit it was discovered that some of the round columns have 2 -1/2 inch and 2-inch high cove base. It will be up to the bidder to determine which round columns will need what height cove base. For all wall base the height is to be 4 -1/2" high. Roppe vinyl base color Black Brown 193.
3	Third Floor	Is stair nosing required for this job?	Stair nosing is required for the steps in a lounge area located on the third floor. See attached document, slide 2 for detail information.
4	Third Floor	Where is the carpet to end at the third floor theater doors?	On the third floor at the north and south theater entrance doors. The carpet extends under the doors. The new carpet will need to be installed under the door ways, and installed in the expansion joint.
5	Fourth Floor	Is carpet to be installed pass the fourth floor south east exit doors?	On the third floor at the north and south theater entrance doors. The carpet extends under the doors. The new carpet will need to be installed under the door ways, and installed in the expansion joint.
6	Fourth Floor	How is the carpet to be installed around the built-in purple bench and railing?	At the fourth floor circular stairs there is a built-in purple bench and railing. These items cannot be removed. The carpet will need to be cut to the bases of the bench and railing.
