

Department/Agency	North Carolina Department of Adult Correction
Project Title	DART Center - Exterior Envelope Repairs
Design Services	Architecture/Engineering
Scope of Work	<p>The Department of Adult Correction invites experienced design firms to submit qualifications to provide design, bidding, construction administration, and closeout services for exterior envelope repairs on five (5) existing brick buildings (Buildings, A, B, C, D, and Administration) at the DART Center (formerly DART Cherry) located in Goldsboro, NC.</p> <p>An advanced planning study has been completed by Raymond Engineering and potential corrective approaches have been outlined in the planning study. These approaches can be summarized into: (1) repairing/repointing of buildings (2) installing brick veneer or EIFS.</p> <p>Full design services are required and will include all submittal requirements for the State Construction Office for all submittal phases, Cost Estimates updated at each phase with each SCO submittal, with Technical Specifications <i>edited with Masterworks</i> in Masterspec 2006, bidding services, construction administration services, record drawings in both AutoCAD (latest version) and Revit, and project closeout as defined by the State Construction Manual (Twelfth Ed.) dated March of 2019.</p>

STATE BUILDING COMMISSION - SELECTING CRITERIA

In selecting designers, the selection committee should take into consideration qualification information including such factors as:

1. Specialized or appropriate expertise in the type of project.
2. Past performance on similar projects.
3. Adequate staff and proposed design or consultant team for the project.
4. Current workload and State projects awarded.
5. Proposed design approach for the project including design team and consultants.
6. Recent experience with project costs and schedules.
7. Construction administration capabilities.
8. Proximity to and familiarity with the area where the project is located.
9. Record of successfully completed projects without major legal or technical problems.
10. Other factors which may be appropriate for the project.

STATE BUILDING COMMISSION - SUBMITTAL CRITERIA

Proposing firms must submit THREE (3) copies of the Letter of Interest and THREE (3) copies of your current Standard Form 254 (SF 254) with the information package. The current SF 254 template is located at <http://ncadmin.nc.gov/businesses/construction/forms-documents> which is the State Building Commission approved form.

In the interest of cost-savings to the designers, consistency of the submittals and more efficient use of time by the pre-selection committee, the submitted information package should not include any notebooks, binders, tab, clips, etc. The format should be 8-1/2" x 11" pages stapled in the upper left-hand corner. The Letter of Interest should not exceed ten (10) single-sided pages or five (5) double-sided pages plus the SF 254.

E-mail and Fax submittals will not be accepted.
