the established meeting place, with the usual time off for the noonday meal. An ordinary workweek will consist of forty (40) hours at straight-time rates. Overtime work that does not result in such additional charge may be performed if pre-approved by CHP.

INSTRUCTIONS TO BIDDERS

GENERAL: All bids are subject to the provisions of the attached General Contract Terms and Conditions. All bid responses will be controlled by the Terms and Conditions included by the City of Elizabeth City. Bidder terms and conditions included as a part of published price lists, catalogs, and/or other documents submitted as a part of the bid response are waived and will have no effect either on the bid, or any contract which may be awarded as a result of this bid.

The attachment of any additional terms and conditions by any vendor or bidder is expressly rejected here and shall not be incorporated into the bid. Attachment of any additional terms and conditions may be grounds for rejection of the bid by the City.

Bidder specifically agrees to the conditions set forth in this paragraph by signature of the "BID" contained herein. Pursuant to G.S. 143-48 and Executive Order No. 77, the State invites and encourages participation in this procurement by a business owned by minorities, women, and the handicapped.

MAKE AND MODEL: Indicate manufacturers' name and model number of item(s) offered in the spaces provided. The purpose of these specifications is to identify and establish general quality level desired. Any references to brand names are not intended to be restrictive and comparable products of other manufacturers will be considered. However, bidders are cautioned that any deviation from specifications must be pointed out in their bid. **Complete descriptive literature and manufacturer's specifications shall be included in the bid.**

WARRANTY: Equipment shall be new and shall be guaranteed against defect in materials, workmanship, and performance in accordance with the manufacturer's standard warranty, except that in no event shall such coverage be less than one (1) year. Warranty coverage shall begin on the date of acceptance by the City of Elizabeth City. **Warranty service shall be available on site** at any location within the state of North Carolina. Defective units shall be repaired or replaced during the warranty period at no cost to the City of Elizabeth City or its representative.
