1.0 PURPOSE AND BACKGROUND

Through Creative Collaborations: Artist in Residence at Cumberland County Public Library, Cumberland County Public Library seeks to meet the community’s requests for more art programming, while also enhancing free access to the arts for community members of all socio-economic levels. As such, Cumberland County Public Library has received grant funding from the State Library of North Carolina to establish this program which will focus on community, connection, creativity, and accessibility.

Cumberland County Public Library invites emerging and established visual artists residing in Cumberland County and its surrounding areas to apply for its first ever Creative Collaborations: Artist in Residence program. We are seeking a visual artist with the passion to create and share their process with the community through both the passive programming of ten (10) weekly studio hours and fourteen (14) free to the public monthly educational programs (2 per month). In addition, the artist will work with local arts educators to bring their medium to classrooms in Cumberland County Schools via curriculum collaboration and a field trip to the library studio space.

The eight-month artist in residence program will run from November 2025 – June 2026 and will culminate with a final exhibit hosted at our Headquarters Library for the month of July 2026 and a piece that will live in the Library’s Special Collection Archives for patrons to enjoy long after the artist’s residency.

This grant is made possible by funding from the federal Institute of Museum and Library Services (IMLS) under the provisions of the Library Services and Technology Act (LSTA) as administered by the State Library of North Carolina, a division of the Department of Natural and Cultural Resources (IMLS grant number LS-259195-OLS-25).
