

Construction Bid Solicitations from Prequalified Contractors

Full Details

Institution	NC State University
Institution URL for Additional Information about this Project (Optional)	https://facilities.ofa.ncsu.edu/category/ads/
Project Name	Ligon St - Beryl Rd Water Line Improvements - I-440 Widening
Bidding from prequalified firms on	This project improves the domestic water service to the Horticultural Field Labs (HFL) and the Dearstyne Complex by extending a new water line service and connection from Beryl Road and by installing a loop connection in existing piping serving the Dearstyne Complex. The project will also address domestic water pressure issues experienced by the HFL since the West Campus was disconnected from the Method Road pumping station as a result of the I-440 widening.
