

## Construction Bid Solicitations from Prequalified Contractors

### Full Details

Institution	NC State University
Institution URL for Additional Information about this Project (Optional)	<a href="https://facilities.ofa.ncsu.edu/category/ads/">https://facilities.ofa.ncsu.edu/category/ads/</a>
Project Name	Burlington Labs - B121 Renovation
Bidding from prequalified firms on	NC State University is soliciting bids from prequalified contractors for the Burlington Labs-B121 Renovation project. This project consists of a renovation of the basement level of the existing four-story Burlington Lab Building (built 1953, with a 1973 addition), on North Campus. This project renovates 4,163 square feet of vacated shop space into wet-research labs to accommodate three new research faculty. The project includes architectural, mechanical, electrical, and exhaust modifications.
