ADDENDUM #2	

This addendum is issued to provide the list of questions received from vendors and responses/answers.

Reference	Vendor Question	Answer
5.1 Specifications, Letters I, J, K, R, S; pages 15, 16, 17, 18	As the current incumbent, we can accurately share that there are multiple high rise buildings on campus that require vent cleaning to be performed from the outside in areas inaccessible to any commercial laundry company. These vents must be cleaned by outsourcing to a vent cleaning specialist. Will the vendor be required to pay for all such vent cleaning?	Yes, The state inspector requires the vents to be cleaned twice a year which is the normal process and the expense will be incurred by the vendor.
Attachment H: List of Locations, Page 23	Belk Hall accommodates 7 washers and 7 dryers, and based on the total sum being correct, we believe the 6 dryers and 6 washers listed for Belk Hall should be 7 washers and 7 dryers. Could the University please confirm?	Yes, the correct number is 7 washers and 7 dryers.

A SIGNED COPY OF THIS ADDENDUM MUST BE INCLUDED WITH YOUR BID RESPONSE
