

Department/Agency	Health and Human Services / Cherry Hospital (Goldsboro, NC)
Project Title	Cherry Hospital – New Maintenance Building
Design Services	Architecture / Engineering
Scope of Work	This project is to construct a new Maintenance and Warehouse Facility to complete the move of all operations of the new Cherry Hospital from the old maintenance and warehouse facilities located 1/2 mile away on the old Cherry Hospital campus. This new facility will serve multiple functions including all maintenance shops, parts storage, offices for maintenance operations, lunchroom, vehicle maintenance, bulk warehouse space and specialized storage needs of the hospital. The facility will be located adjacent to the new Cherry Hospital.

NC Licensing Statement	<p>In order to offer architectural, engineering, or landscape architectural services in response to this solicitation, the proposing firm must be properly licensed to practice Architecture, Engineering, or Landscape Architecture in the State of North Carolina. More information on the North Carolina state boards may be found at the following websites:</p> <p>NC Board of Architecture: (<a href="http://www.ncbarch.org">http://www.ncbarch.org</a>)  NC Board of Examiners for Engineers &amp; Surveyors: (<a href="http://www.ncbels.org">http://www.ncbels.org</a>)  NC Board of Landscape Architects: (<a href="http://www.ncbola.org">http://www.ncbola.org</a>)</p>

### **STATE BUILDING COMMISSION - SELECTING CRITERIA**

In selecting designers, the selection committee should take into consideration qualification information including such factors as:

1. Specialized or appropriate expertise in the type of project.
2. Past performance on similar projects.
3. Adequate staff and proposed design or consultant team for the project.
4. Current workload and State projects awarded.
5. Proposed design approach for the project including design team and consultants.
6. Recent experience with project costs and schedules.
7. Construction administration capabilities.
8. Proximity to and familiarity with the area where the project is located.
9. Record of successfully completed projects without major legal or technical problems.
10. Other factors which may be appropriate for the project.

### **STATE BUILDING COMMISSION - SUBMITTAL CRITERIA**

Proposing firms must submit THREE (3) copies of the Letter of Interest and THREE (3) copies of your current Standard Form 254 (SF 254) with the information package. The current SF 254 template is located at <http://ncadmin.nc.gov/businesses/construction/forms-documents> which is the State Building Commission approved form.

In the interest of cost-savings to the designers, consistency of the submittals and more efficient use of time by the pre-selection committee, the submitted information package should not include any notebooks, binders, tab, clips, etc. The format should be 8-1/2" x 11" pages stapled in the upper left-hand corner. The Letter of Interest should not exceed ten (10) single-sided pages or five (5) double-sided pages plus the SF 254.

Fax submittals will not be accepted.
